All Souls' Rising Madison Smartt Bell, 1997-01 One of the most prolific and gifted writers at work today presents an epic novel of astonishing depth and range about the black uprising in Haiti 200 years ago A remarkable retelling of an episode of racial hatred at its most visceral and most unimaginably destructive All Souls Rising is Bell's most ambitious most deeply satisfying novel to date

On the Edge Maria Cristina Fumagalli, 2015 A literary study of the borderlands between Haiti and the Dominican Republic

Novel History Mark C. Carnes, 2004-03-05 Historical fiction is a contradiction in terms History is what happened fiction what did not Yet great novelists have often disregarded this logical difficulty taking up the tools of the historian to explore the shadowy recesses of the past Their labors have brought forth many literary treasures But how accurately do these masterpieces of the imagination reflect the past In Novel History twenty accomplished historians consider this question in relation to some of our most important historical novels Their essays are followed in most instances by a response from the novelist These dialogues illuminate one of the most fascinating and perplexing issues of our time the relation between the real past and our finest imaginative renderings of it Novel History includes essays by distinguished historians such as John Demos Michael Kammen Joan D Hedrick John Lukacs Eugene D Genovese Richard White and Tom Wicker and responses from notable novelists including Gore Vidal John Updike Russell Banks Don DeLillo Larry McMurtry Jane Smiley Madison Smartt Bell William Styron T Coraghessan Boyle William Kennedy Charles Frazier Thomas Fleming and Tim O'Brien Novel History is both a uniquely compelling perspective and a superb collection of literary history

Sublime Desire Amy J. Elias, 2001-11-23 In its range and sophistication Sublime Desire is a valuable addition to postmodernist studies as well as to studies of the historical romance novel
