Better Than You Know Yourself:

You Know More than You Think Seka Nikolic,2010-09-06 Have you ever telephoned someone just as they were about to ring you Or received an email or a letter from a friend who you dreamt about the night before It may feel easier to believe that these situations are simply coincidental but this book will help you to understand the very real explanation behind this magical form of energetic communication Discover the ability that we all have to send and receive messages through our energy frequencies practical exercises to improve your state of neutral mind how to use neutral mind to get what you want from life specific chapters on relationships family life and health real case studies to demonstrate this amazing tool You were born with the ability to use energy and this book will help you nurture your natural gift dramatically improve your happiness and health and invite the magical back into your life

Do You Know who You Really Are Fred Kohler Holbrook,2007-08 Do You Know Who You Really Are presents an understanding of our pre mortal lives why we are here on earth and where we are going after mortality In ten succinct chapters Fred Kohler Holbrook tackles matters such as the purpose of mortality the meaning of the human body and why we are born into a particular race or ethnicity It is time for us to know who we really are our intrinsic selves and the author actively encourages the pursuit of theological answers to deep questions calling us to know who we really are and to make our eternal selves who we want to be

The Mind Doctrine George Kuntu-Blankson,2018-02-22 The human mind is a spiritual phenomenon and understanding the development of the mind is essential to understanding the search to know God It is the mind which connects us to God and to search to know God one must first search to know himself or herself Without knowing self it is impossible to know God

You Complete Me and Other Myths That Destroy Happily Ever After Victoria Fleming Ph.D.,2012-01-31 The author shares her experience as a counselor working with couples in marriage counseling to illustrate the falsehoods in common marriage myths along with her own perspectives on the marriage relationship and advice on working through various relationship issues

Better Than a Stick in the Eye Ziba Graham Jr,2009 Many of the people I counseled would ask what they could do if they got stuck again They wanted to know if there was something they could do on their own instead of coming back to counseling They asked me to give them some background on how I was able to help them resolve their conflicts and provide them with a step by step guide to repair their relationships again This book is the response to that request The book is based on the ZG method which I used in counseling for over ten years This isn t a book of helpful hints from some expert rather it promotes change by asking future oriented questions so the participants can find their own solutions Following this method is as simple as following the script with over thirty sample questions to choose from Directions are given on what to say and what not to say Other parts of the book stress how to stay positive and utilize a person s strengths through the whole process The theory behind the ZG method is discussed and the actual mechanics of the method are explained in great detail The book talks about positive change and how to bring it about using many examples It

explains in great detail using a step by step format how to use the ZG method at home and in the workplace to resolve conflicts Another advantage of using this method is that it doesn't go to the past and revisit past hurts so it isn't a painful experience Whether you need to work on your own relationships or you would like to help someone else with relationship conflicts this book is very helpful
