*Life Between Heaven and Earth* George Anderson, Andrew Barone, 2016-06-21 The New York Times bestselling authors of *Lessons from the Light* offer a new and provocative understanding of heaven and how messages from the afterlife can assist you in the here and now We live in a world of near universal acceptance that once our lives on the earth come to an end we continue to a greater world Whether that destination is called Heaven Nirvana or simply The Other Side tradition teaches us that there is in most cases a fairy tale ending to life a place where joy and harmony reigns supreme Yet as this book attests there is still more to heaven and earth than is dreamt of in our philosophies George Anderson is considered by many to be the greatest medium living today After

more than 50 years of hearing from souls who have transitioned to the world hereafter he is constantly reminded by those who have passed that our preconceived notions of this life and the next aren't always accurate The nine stories in this book illuminate times when unusual circumstances such as sudden death unresolved emotions abusive relationships and painful family dynamics make it necessary for the dead and the living to find new doors to healing In session with Anderson survivors and those who have passed meet again in encounters that are profound bittersweet highly emotional and sometimes downright funny What we learn is that there are little known spiritual treasures and lessons to be learned about heaven and earth that can restore revitalize and make new what was once broken Life Between Heaven and Earth is an inspiring thought provoking path changing work one that affirms that no matter how complicated a circumstance is resolution peace and acceptance can be found in deep and remarkable ways *Between Heaven and Earth* Laura Archera Huxley, Piero Ferrucci, 1975-01-01
