

Between Us Time

Irwin Friend, Robert Jones

Between Us Time:

Proceedings of the Conference on Consumption and Saving, Volumes 1 and 2 Irwin Friend, Robert Jones, 1960-01-29 These two volumes bound together represent the papers comments and rejoinders presented at the Conference on Consumption and Saving held 30 31 March 1959 at the Wharton School of Finance and Commerce at the University of Pennsylvania The first volume is devoted to an analysis of consumption behavior with a primary focus of attention on the determinants of the major categories of consumption The second volume is devoted to an analysis of saving behavior

Phenomenology and Eschatology Neal DeRoo, John Panteleimon Manoussakis, 2009 Given the resurgence of eschatological thought in contemporary theology and the continued relevance of phenomenology in philosophy this book brings together leading thinkers such as Lacoste Romano Kearney and Hart to explore the ways in which these two seemingly unrelated disciplines illuminate each other Through a series of phenomenological analyses of key eschatological concepts and detailed readings in some of the key figures of both disciplines this text reveals that phenomenology and eschatology are fundamentally inter related and that neither can be fully understood without the other without eschatology phenomenology would not have developed the ethical and temporal aspects that characterize it today without phenomenology eschatology would remain relegated to the sidelines of serious theological discourse Along the way such diverse themes as time death parousia and the call are re examined and redefined
