Bewitched Its All Relative:

It's All Relative Wade Rouse, 2011-02-01 How come the only thing my family tree ever grows is nuts Wade Rouse attempts to answer that question in his blisteringly funny new memoir by looking at the yearly celebrations that unite us all and bring out the very best and worst in our nearest and dearest Family is truly the only gift that keeps on giving namely the gifts of dysfunction and eccentricity and Wade Rouse's family has been especially charitable His chatty yet loving mother dresses her son as a Ubangi tribesman in blackface for Halloween in the rural Ozarks his unconventional engineer of a father buries his children's Easter eggs his marvelously Martha Stewart-esque partner believes Barbie is his baby his garage sale obsessed set of in laws are convinced they can earn more than Warren Buffett by selling their broken lamps and Nehru jackets his mutt Marge speaks her own language and his oddball collection of relatives includes a tipsy Santa Claus with an affinity for showing off his jingle balls In the end though the Rouse House gifted Wade with love laughter understanding superb comic timing and a humbling appreciation for humiliation Whether Wade dates a mime on his birthday to overcome his phobia of clowns or outruns a chubchasing boss on Secretary's Day he captures our holidays with his trademark self deprecating humor and acerbic wit He paints a funny sad poignant and outlandish portrait of an all too typical family that will have you appreciating or bemoaning your own and shrieking in laughter Praise for *It's All Relative* Filled with sparkling humor Listen to Wade Rouse which you most assuredly should especially if you value laughter and wisdom Chicago Tribune Wade Rouse's stories are not only laugh inducing but also truly revealing of what it means to be a family through all stages of life and show that no matter how kooky his family might be love is what brings them together and defines them St Louis Magazine Filled with uproarious one liners and enough soul to truly satisfy readers are going to clamor for a seat at Rouse's holiday table I can't tell you how much I loved this book Jen Lancaster New York Times bestselling author of *My Fair Lazy*
