Beyond Forever:

Beyond Forever Diane Dowsing Robison, 2023-08-15 *Beyond Forever* is a story about a man and a woman reuniting through four lifetimes where piece by piece the fabric of their enduring relationship is woven by the unique and life changing experiences they share. The narrative follows their complex journey from the windswept rugged island of Barbados to the sinking of the mighty ship *Lusitania*, the unparalleled experience of World War II in New York, Hawaii, California, Malta, and England, and finally into the new millennium. Through their saga, one truth becomes apparent: not only do relationships shape people's physical lives, they become vital lessons for the growth of one's spirit. It takes courage to fully love, but eventually the ultimate question must be faced: What if this gift goes away? What's left? Throughout this incredible saga, readers share the exhilarating joy and devastating hurt of both souls through their achievements, their failures, and their separation, ultimately realizing that each lifetime builds a powerful bridge where love can continue. Finally, through four dynamic and vastly different life experiences, the characters discover their greatest gift by truly letting go of fear; nothing can stand in the way of being connected forever and beyond.

Beyond Forever Carrie Collins, 2021-11-26 Chelsea is giving up. After two years of waiting for Ace to make a move, she's done. It feels like forever, and she's got to make her own way. It doesn't matter that her friends say he's interested in her. She doesn't see it, and she's got more to worry about, like protecting her son Hawk, working multiple jobs, and planning to open her own store. More comfortable with repairing cars than relationships, Ace knows he's screwed up, but he wants to make sure everything is perfect before he asks the woman of his dreams out. The house is almost finished, being built, and all he thinks about is how much he can't wait to spend his days with Chelsea and Hawk. Confident she won't say no, he sticks to his plan without realizing she's moving on. When Chelsea's ex and Hawk's biological abusive father shows back up, things get tense. Chelsea doesn't want to bother the guys at Phantom Inc, even though this might be too much to handle on her own. Just as stubborn as Ace is, she refuses to ask for their help, not realizing her ex is going to stop at nothing to get his way.
