**Beyond Power** Marilyn French, 1985 This examination of the nature and effects of power draws on the wide range of disciplines including anthropology history political science law and theology to investigate the sources of patriarchy

**French Feminisms 1975 and After** Peter Collier, Margaret Atack, Alison S. Fell, Diana Holmes, Imogen Long, 2017-11-30 This volume explores contemporary French women s writing through the prism of one of the defining moments of modern feminism the writings of the 1970s that came to be known as French feminism With their exhilarating renewal of the rules of fiction and a sophisticated theoretical approach to gender representation and textuality H l ne Cixous and others became internationally recognised for their work at a time when the women s movement was also a driving force for social change Taking its cue from Les Femmes s ent tent a multi authored analysis of the situation of women and a celebration of women s creativity this collection offers new readings of Monique Wittig Emma Santos and H l ne Cixous followed by essays on Nina Bouraoui Mich le Perrein and Ying Chen Marguerite Duras and Mireille Best and Valentine Goby A contextualising introduction establishes the theoretical and cultural framework of the volume with a critical re evaluation of this key moment in the history of feminist thought and women s writing pursuing its various legacies and examining the ways theoretical and empirical developments in queer studies postcolonial studies and postmodernist philosophies have extended inflected and challenged feminist work

**Beyond Power** Marilyn French, 1985-01-01

**Beyond Feminist Aesthetics** Rita Felski, 1989 Felski presents a critical account of current American and European feminist literary theory and analyzes contemporary fiction by women to show that no theorist can identify a

specifically female or feminine kind of writing without reference to what gender means at a given historical moment She argues that the idea of a feminist aesthetic is a non issue needlessly pursued by feminists She calls for a consideration of the social and cultural context in which these texts were produced and received and demonstrates her method of an interdisciplinary approach to the analysis of literature which can integrate literary and social theory ISBN 0 674 06894 7 25 00 ISBN 0 674 06895 5 pbk 9 95

**Feminism Beyond East and West** Margot Badran, Mathias Rohe, 2007 Islamic Feminism What is it Where did it arise From within or from without Is it Legitimate What are its aims Muslims often label feminism as Western by Muslims and thereby discredit it Or they claim feminism is not Eastern and thus not authentic and implicitly or explicitly un Islamic or against Islam At the same time there are many non Muslims and westerners who make the same claims For such people feminism and Islam is either an anathema or an oxymoron East and West connote geographies cultures and states of mind very often in sliding and slippery ways Islam is typically called Eastern in ways the other two monotheistic religions Judaism and Christianity also originating in the East are not Early in its history Islam had a presence in Europe from the 8 to the 15 Centuries in Spain as well as during some of this time in parts of Italy and Portugal After this period however Muslims ceased to form part of the indigenous population in Western Europe In the same century it was disappearing from Western Europe Islam appeared in the Balkans with the spread of Ottoman Rule Islamic Feminism aims to recover and implement the fundamental objectives maqasid of Islam social justice and the equality of all Muslims including gender equality There can be no social justice without gender equality Islamic feminism is attentive to the rights Islam granted to women that have withheld from them in practice as well as the rights of any others withheld because of class race or ethnicity Islamic feminism is about gender about women and men their relations and interactions about gender justice and the struggle to attain it what in South Africa is called gender jihad from Cover

**Women in French Studies**, 2008 Beyond the Echo Sneja Marina Gunew, Jan Mahyuddin, 1988 *Women, Feminism, and Femininity in the 21st Century* Béatrice Mousli, Eve-Alice Roustang-Stoller, 2009-04-15 American women look at French women as having it all sex motherhood work and public office while French women look at American women as puritanical excessively feminist and unable to have it all without guilt The essays in this book by leading American and French academics and critics set the record straight by assessing the truth of each outlook They conclude that facts are different from imagination and that on many issues French feminists could actually look to the U S for inspiration This book offers the first comparative critical appraisal of how women live in the US and in France and suggests paths of reflection on what women can do to improve their lives in the twenty first century This is a must read for anyone interested in the nature of womanhood today in the Western World France from 1851 to the Present Roger Célestin, Eliane Françoise DalMolin, 2007-08-15 A cultural history of France from a period of dominance in the mid 19th century to one of decline or crisis in the first few years of the third millennium The first part 1851 to 1944 explores developments ranging from the

transformation of Paris and the appearance of the colonial empire to the construction of modern French society The second part of the book follows the crisis of French universalism or of the French exception from the end of World War II to the contemporary period in which the French model has been increasingly difficult to sustain in the face of globalization the Americanization of culture decolonization and multiculturalism among other developments *Beyond Oppression* M. E. Hawkesworth,1990 Explores aspects of feminist theory and political strategy of our post sixties and post seventies culture by investigating obstacles to a full realization of feminist objectives Outlines a pragmatic political strategy that can unite men and women in a movement to achieve a truly egalitarian policy **Beyond Portia** Jacqueline St. Joan,Annette Bennington McElhiney,1997 A resource to help judges lawyers scholars and students gain insight into the real lives of women whom the law purports to represent but whose self representations have historically been excluded from legal discourse *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith,2008-01-23 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **Embodying Autobiography and Mothering Feminist Theory** R. Joyce Lausch,2003 *Kristeva, Psychoanalysis and Culture* Sylvie Gambaudo,2007 With the introduction of the euro much recent attention has been focused on the role of currencies and their national and international significance Covering a time span of some two and a half millennia the contributions within this volume consider aspects of the European experience from classical antiquity until the beginning of the twenty first century **Beyond Domination** Carol C.
