## **Beyond Our Selves:**

Beyond Our Selves Catherine Marshall,2001 A spiritual handbook on topics such as unanswered prayer miracles and forgiveness    Called Beyond Our Selves Erin VanLaningham,2024 Higher education today faces challenges from all sides but college can provide young people with an opportunity to explore what it means to live a meaningful life Increasingly undergraduate education encourages students to reflect on their many callings in life but this does not need to be a purely individual pursuit This volume provides an argument for helping students to think about the interconnectedness of individual and communal life as they reflect on their various vocations    Beyond Ourselves D. Kroeker,2014-03-28 So often in the Christian community we hear the question What do we need to do to reach the unreached While this appears to be a good question perhaps its the wrong question Instead of focusing on what might be best practices our answers tend to revolve around what are best practices for us The better question is How can the unreached be reached This takes us out of the center of the story and seeks to find the best methods and means to reach those who need to clearly hear the good news of Gods grace    **Beyond Our Self-Image** N. T. Hettigei,2024-04-24 Addressing a dilemma that spiritual seekers and others face in their pursuit of happiness Beyond Our Self Image presents a unique and simple approach to experiencing true happiness free from confusing thoughts and wavering satisfaction You may be an experienced meditator facing difficulty receiving the full benefits of your meditation stuck at one level of absorption or you may be on the brink of transcendence The practices in this book resolve those obstacles and help you experience your true self While its purpose is primarily to enhance your first hand experiences of well being through practices in this book Beyond Our Self Image also attempts to heal a world divided by petty differences and wakes its readers up to a wiser civilization resulting in widespread peace in this world    **Beyond Ourselves: Leader's Manual** Roger Morgan,2018 Beyond Ourselves is the first part of a three part practical discipleship programme The God Who is There Designed to be accessible to those with no church background Beyond Ourselves invites participants Christian and not yet Christian to discover together what it means to develop a living relationship with God Topics covered include creation suffering life after death the life and resurrection of Jesus and the gift of the Holy Spirit The God Who is There is a response to the increasingly voiced need for simple interactive and relational discipleship material It is commended by the Anglican Communion    *Beyond Ourselves* Catherine Marshall,1975
