*Beyond Borders* Ngozi Iwuoha,2015-04-16 Beyond Borders is based on a true story about a family s struggle to overcome the limits placed on it by geographical borders

Beyond Borders Molly Katrina Land,Kathryn Rae Libal,Jillian Robin Chambers,2021-09-16 States have long denied basic rights to non citizens within their borders and international law imposes only limited duties on states with respect to those fleeing persecution But even the limited rights previously enjoyed by non citizens are eroding in the face of rising nationalism populism xenophobia and racism Beyond Borders explores what obligations we owe to those outside our political community Drawing on contributions from a broad variety of disciplines from literature to political science to philosophy the volume

considers the failures of law and politics to guarantee rights for the most vulnerable and attempts to imagine new forms of belonging grounded in ideas of solidarity empathy and responsibility in order to identify a more robust basis for the protection of non citizens at home and abroad This title is also available as Open Access on Cambridge Core

**Reimagining State and Human**

**Security Beyond Borders** Annamarie Bindenagel Šehović, 2018-01-11 This book delves into the diffuse relationship between states citizens and non citizens It explores the theoretical heritage of human security and identifies practical responses to the re negotiated relationships between states and citizens responsibility and accountability It argues that the changes to global order since the 1990s have resulted in a divergence from the understanding of the State as the arbiter within its territory and as the guarantor of human security within its borders In addition while interventionist actions of various non state actors to implement material guarantees of human security reaching both citizens and non citizens including refugees have solved some immediate problems they have not answered the question of where accountability ultimately lies **South Africa** South African Native Affairs Commission, 1905 **Ethnic Challenges Beyond Borders** Rouben Azizian, Yongjin Zhang, 2016-07-27 A rare collection of essays by leading Chinese and Russian Central Asian specialists The contributors address the problems and challenges posed by the resurgence of Central Asia to China and Russia Both Countries are in search of a post communist and post cold war order The editors explore uncertain transformations in Central Asia and their implications for Chinese and Russian foreign policies and speculate on the possible outcome of the current search for a regional order *Patients Beyond Borders Monterrey, Mexico Edition* Josef Woodman, 2011-09-13 *Patients Beyond Borders Monterrey Edition* Interpreting Beyond Borders Fernando F. Segovia, 2000-04-01 This book addresses a fundamental reality of our time the great movement of people for a variety of reasons within and across countries and cultures From this migration has emerged the diasporic intellectual the state of dislocation and displacement has become a vantage point for reflection and interpretation The same is true of theological studies in general and biblical criticism in particular In this masterly treatment Fernando Segovia focuses on the emerging transborder biblical interpreters from the Two Thirds World now residing and working in the West both in the United States and in Europe and examines their multiple identities He also explores how this state of in betweenness and homesickness affects influences and informs biblical interpretation
