Beyond 9 to 5 Sarah Norgate,2006 In Beyond 9 to 5 Sarah Norgate investigates the psychological social and cultural influences that affect the way we regard and are affected by time Using everyday examples from around the world her intriguing analysis unravels both the mental and biological mysteries of our relationships with time and provides a clear understanding of the links among behavior brain and genes Norgate begins by musing on the origins of our obsession with punctuality the conflicting practices of rushing and taking things slow economy driven proverbs from highly industrialized nations Don t put off until tomorrow what you can do today and how they differ from beliefs and attitudes in more rural areas why some countries like Japan promote a 24 7 lifestyle while others still have trouble allowing businesses to open on Sunday and which city moves at a faster pace New York or Dublin Norgate s examination of global trends yields surprising results Norgate then considers the biological effects of irregular hours night shifts cram sessions round the clock consumption and other potentially unhealthy characteristics of modern living In addition she looks at how our relationship with time evolves throughout our lives from birth to old age tracing the connection between longevity and memory and how such conditions as Parkinson s disease addiction sensory impairment and autism change our perception of time Norgate concludes by uniting these threads to better understand the universality of our temporal landscapes An engaging mix of cultural reference and research Beyond 9 to 5 is a compelling look at what makes us human

Beyond 9 to 5 Bogdan Marculescu,2023-11-01 Beyond 9 to 5 The Art of Hybrid Entrepreneurship is a timely and transformative book that charts a course for success in the new world of work Through its insightful guidance interviews analyses and unwavering belief in the potential of every individual to become a hybrid entrepreneur this book is your indispensable companion on the journey to financial independence and personal fulfillment Get ready to step beyond 9 to 5 and embark on a path of limitless possibilities In the coming years the standard workweek will likely become a relic of the past and the ways in which we earn a living will undergo profound transformations For many this may entail reduced hours and income in their primary employment In this context the ability to monetize one s time outside 9 to 5 becomes increasingly vital Beyond 9 to 5 thus presents a powerful argument anyone can learn the art of starting a profitable side business The journey from novice to entrepreneur is a path that is accessible to all through hybrid entrepreneurship regardless of their background or prior experience The core message of the book resonates clearly in the evolving world of work it is essential to see oneself not merely as an employee but as a creative and resourceful individual Beyond 9 to 5 encourages readers to embrace their roles as intrapreneurs and hybrid entrepreneurs seizing opportunities to generate income beyond the confines of traditional employment In an era where change is the only constant individuals must be adept at identifying and capitalizing on opportunities of all kinds
