**Beyondboundaries**, 2000 Beyond Boundaries is a survey of the best of California photography over the past five years. The sixty five artists represented here have been drawn from a pool of over 300 photographers nominated by museum curators, gallery directors, art publishers and critics, specialists at small non profit organizations and major metropolitan museums working across the state. The only parameter was that the artist selected needed to be living in California at the time. Developed over a year of meeting with the artists involved, Beyond Boundaries is arranged as a loosely thematic collage which echoes the links between the artists.
