Beyond Spiritual Gifts:

Beyond Spiritual Gifts Rick Yohn, 1976 *Beyond Church Growth* Robert E. Logan, 1990-01-01 Based on God's vision for churches in Matthew 28:18-20 this book presents sound methods for making disciples winning the lost for Christ and planting new churches

Beyond Illusion Carl Townsend, 2009-12 There is no doubt that we see a failure of leadership today. Political leaders are unable to forge a path out of two wars we were led into by lies and greed. Today we see the economic system that has fueled capitalism for years is collapsing from greed and mismanagement. Much of the existing leadership has been unwilling to change, passing the costs of their selfishness and mismanagement to the next generations and the generations after them. Paradigms of the past remain only as illusions and no longer work. What does real leadership today look like? *Beyond Illusion: Leading from Reality* takes a hard look at what is missing in today's leadership using as effective models outstanding leaders in the Bible such as Nehemiah, Moses, and Jesus. If you want to be a leader today, you will find essential clues in this book as well as stories that show you how you can lead in transforming your community, nation, and in the world. Carl is a man who hears what the Spirit is saying and places the poetry of that message for the reader to hear for himself.

Bettie P. Mitchell, Founder and former International Executive Director, Good Samaritan Ministries *Beyond the Veil* Alice Smith, 2010-03-11 As the worldwide prayer movement continues to flourish, never before have so many Christians from so many faith traditions joined together to intercede for so long in their homes, in their churches, in their communities. As the prayer movement continues to explode, leaders emerge to give guidance to the growing number of intercessors, and Alice Smith is at their forefront, leading the leaders who have lifted the banner of passionate, effective intercessory prayer for this generation and the next. In *Beyond the Veil*, Smith proclaims God's call for His people to pray and shares what she has learned on her own journey toward deeper intimacy with God through prayer. Whether readers are new to intercession or are veteran prayer warriors, they will discover sound biblical methods for binding the enemy and loosing the Holy Spirit in their families, churches, and nations. Each chapter includes questions and prayer exercises with a corresponding devotional to bring the principles of intercession to life, making *Beyond the Veil* the essential guidebook for the prayer revival that is sweeping the globe.

Kingdom Calling Amy L. Sherman, 2011-11-02 Amy Sherman unpacks Proverbs 11:10. When the righteous prosper, the city rejoices to develop a theology and program of vocational stewardship. Here is practical help for churches, ministries, and other faith communities to navigate the complex process of following Jesus in those places where we happen to prosper.
