Beyond The Flesh:

Beyond the Covered Vail Wesley B. Herndon, 2023-08-16 As a child you have a vast imagination to create anything out of nothing but most lose that ability when they get older I have kept the imaginative side of me alive and have honed it down to fine art This is a collection of short stories that come to life in your mind Follow a group of bandits that are pushed to their limits in order to overcome a fierce opponent Descend into an empty desert where one awakens to a world that defies human logic Then you turn the page and you are hit with words of insightful wisdom that exceed the thoughts of the common mindset This book is for people that have gone through the darkest moments in life and survived them Anyone who likes to be told real truths will also be entertained at the same time You will be able to see it as you read it It's what the world's been missing

Beyond the Cross Alfred Prempeh-Dapaah, 2014-08-14 It is about life beyond the cross The book takes us through some of what the cross of Calvary actually means and the stages of the life of Christ before on and beyond the cross after his resurrection and ascension to heaven In other words Jesus Christ before the cross was not the same as he hanged on the cross neither was he the same Jesus Christ after his resurrection and ascension to heaven 2Corinthians 5:16 It is also an effort to throw some light on the cross of Jesus Christ and its connection to God's plan and power of salvation for mankind much more it shares to reveal the rightful position of power and authority of the New Creation in Christ and how he or she can operate in the realms of God's glory right here on earth

Beyond the Battle Noah Filipiak, 2021-08-10 All men face some degree of temptation or discontentment Here is your guide to get you past frustration into freedom We live in a culture where 55% of married men and 70% of single men look at porn at least once a month and over half of all marriages end in divorce To understand why that is we have to look beyond the battle to the root of both the problem and the solution Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder thinking better and battering their behavior into submission The problem with this approach no matter how strong we are today the battle continues tomorrow and nothing ever seems to change in the long run In *Beyond the Battle* author and pastor Noah Filipiak shows you why symptom based behavior management approaches offer short term solutions Instead he unpacks the keys to a gospel centered long term victory helping you win the war against temptation and entitlement *Beyond the Battle* is an accessible effective man to man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus to his sacrifice and sufficiency Filipiak addresses deep questions of marriage singleness and sexual temptation like What's really the worst enemy in a man's marriage How are my assumptions about my wife contributing to the problem How does a corrected understanding of God's grace change my outlook on marriage or singleness This book turns typical purity strategies on their head by addressing head on our sense of self entitlement and our self seeking tendencies showing how to look to God instead of to women for intimacy approval acceptance and validation Includes free

Beyond the Flesh E Stephen Roberts, 2008-11 *Beyond the Flesh* is a powerful well written book that makes the words of the Bible leap off of the pages and bring you face to face with the inspiring reality of how you can live your everyday life in the amazing realm of the Spirit of God This book will revolutionize your thinking concerning God s plan and purpose for your life and destiny and it will lead you to begin enjoying the freedom of a deeper intimacy with God There is a Life Discussions guide following each chapter so that through open dialogue within discussion groups the material is made even more relevant The author with striking imagery explores the WHY regarding God s creation of man the temptation and choices which lead to the fall of man and how Christ s redemption of man has placed us ALL on a new footing toward achieving God s glorious original purpose for having created us In God s original purpose there is no room for selfishness hatred lack of forgiveness greed and other such things that are like them But if we are to come into the true stature of who we were created to be then each person that reaches that stature must first get beyond the life crushing constraints of their own flesh Beyond the selfish emotional demands of the flesh is the only way that any person can live a life in the spirit *Beyond the Flesh* is a book that challenges each of us to get past our hurts doubts fears and anger and just allow God to Be In Charge of our life so that we can really come to know true success This book really drives home the point that God is Invisible but not Absent and He desires that we each have a personal relationship with Him In this regard we truly are not alone
