Beyond The Winter Night:

Once Upon a Winter's Night Dennis L. McKiernan, 2002-07-01 The bestselling author of the Mithgar novels presents a new version of a fable that fires the imagination and touches the heart Once upon a winter's night a poor crofter trades his daughter Camille to wed Prince Alain of the Summerwood in exchange for a lifetime of riches Though love blossoms between Camille and the prince he is haunted by sadness and will not allow her to see his unmasked face Believing she can lift whatever curse has been bestowed upon him Camille acts on her own with devastating results as all she loves is swept away Now to regain what she has lost she must embark on a desperate quest through the hinterlands of Faery seeking a mysterious place lying somewhere east of the sun and west of the moon

Fireside Stories for a Winter's Night Klothild de Baar, 2015-03-16 A compendium of fifty short stories ranging from politics and travels to tales of adventure and romance Their topics vary exuberantly from the 9/11 origins of the croissant and the bagel pastries over three hundred years ago to what life in the universe will be like a thousand years from now But they also tell of beloved pets and of broken hearts They make you laugh and may move you to tears They make you think and see things you never knew or overlooked before Life in all its nakedness vicissitudes and mysteries

Everman, 1988 Who or what gives the text its authority Everman offers three main sources of authority the author the discourse and the reader His first section examines the authority of the author by studying the works of contemporary American writers An essay on docufiction focuses on the paradox of using the techniques of fiction to discover reality The probability of writers revealing truths about themselves is

exemplified by Raymond Federman's quasi autobiographical novels The second part discusses the authority of discourse challenging writers with the possibility that literary form not the author is the major force in creating works The final section explores the authority of the reader Italo Calvino's *If on a winter's night a traveler* makes the reader the main character of the novel and implicates him in its creation

Sketches of the Out-of-doors Willis Hudspeth, 1928 *New York School Journal*, 1906

The Humbler Poets (second Series) Frances Rice, 1910 *Canadian Government Railways Employees Magazine*, 1935
