Beyond Tithes Offerings A Closer Look:

Beyond Tithes and Offerings Mitchell Webb, 2017-03 Is it biblically sound to tithe money In its 2nd edition *Beyond Tithes Offerings* from On Time Publishing answers this question by directly challenging the traditional teachings of monetary tithes and offerings Continuing from the 1998 1st edition classic this library of biblical facts will enable you to counter and nullify each and every one of the reasons provided by fellow Christians that promote traditional tithing Get your copy today and arm yourself with these biblical truths Most tithing Christians are sincere in their efforts to support the church through monetary tithing However hidden in the shadows of this traditional practice many Christians have lost sight of their calling to love one another They present various arguments to defend today's version of tithing which are many very diverse and sometimes contradictory Nevertheless we have known for years that these practices distort true Christian giving which is centered on meeting the needs of the poor as well as those that teach and preach the Word 2nd Edition enhancements include Opening and Closing Arguments A fictional court case New chapter titled *Dispensations of Mankind* New section titled *Test Me in This* added to *Tithing Defined* New subsection titled *Do Tithers Receive a Spiritual Blessing* added to *Tithing Defined* New chapter titled *Freedom From The Curse* New subsection titled *I Pledge to Give* added to *The Church Collection* Added a *Word Index* All NIV passages have been updated from 1984 to 2011 And more Unlike other books *Beyond Tithes Offerings* is the complete reference manual on traditional tithing and corrects years of careless biblical misinterpretation of this practice This is not the book you sell when you are finished Instead refer to it every time you come face to face with monetary tithing practices Thank you for your interest and support We look forward to seeing your Amazon.com review comments
