**Inflating  
DIY Cookbook** Daniele Mancini, 2010-10-03 A manual to built up quickly and easily your personal and effective inflatable space This booklet is divided into two parts The first one is a Do It Yourself manual about building up simple inflatable structures The second one is a collection of images about our last workshops and performances The inflatable technology is really complex and it s applied in many fields of science and engineering Nevertheless as designers we are interested in inflatables because they could be a cheap fast and easy way to make up real scale prototype of livable spaces
