Do Not Look Directly Into Me:

Take It Easy, Vol 1 Talks on Zen Buddhism Osho,2023-03-07 Religion is the vast sky of existence Reason is a tiny human phenomenon The reason has to be lost has to be dropped Only by going beyond the mind does one start understanding what is That s the radical change No philosophy can bring that radical change only religion Religion is non philosophic anti philosophic and Zen is the purest form of religion Zen is the very essence of religion Hence it is irrational it is absurd If you try to understand it logically you will be bewildered It can only be understood illogically It has to be approached in deep sympathy and love YOU CANNOT approach Zen through empirical scientific objective concepts They all have to be dropped It is a heart phenomenon You have to feel it rather than think it You have to BE it to know it Being is knowing And there is no other knowing Catherine, You Are Not Forgotten John D. Rozich,2025-04-07 A trailblazing woman warrior A manhunt for one of the world s most wanted terrorists And the blurred lines between justice and vengeance Virginia Mahoney has shattered barriers as the first female member of America s most elite special operations unit But her greatest test lies ahead a high stakes mission to eliminate the brutal ISIS leader who tortured and murdered an innocent American aid worker Lieutenant Jacob Roth knows the stakes couldn t be higher Leading his team into the heart of Syria he must balance mission success with protecting his soldiers including the remarkable woman who is changing everything he thought he knew about combat and courage As their hunt unfolds in moonless desert nights and through winding underground tunnels both Mahoney and Roth will face impossible choices that challenge the very core of their beliefs about duty honor and the true cost of rendering justice in a world of shadows From the cramped briefing rooms of military bases to the unforgiving battlefields of Syria this pulse pounding military thriller explores the price of being a pioneer the bonds forged in elite combat units and the sometimes impossible choices faced by those who serve With authenticity drawn from deep research into special operations and modern warfare this story asks In the pursuit of justice where do we draw the line And who gets to draw it A remarkable book that will leave readers questioning their own beliefs about right and wrong duty and justice while delivering an unforgettable portrait of those who willingly step into the darkness to protect others *I Have a Friend that Sticks Closer than a Brother, His Name is Jesus* Pastor Christine Peebles,2022-08-22 I have a friend that sticks closer than a brother and his name is Jesus Solomon spoke a word in Proverbs 17 17 saying A friend loves at all times Talking about a friend that sticks closer than a brother and a friend that loves at all times I had biological brothers and sisters but none of them were in my life I was the only one out of eight that was not in the home with them On September 25 1975 when I found my way to the Cross Jesus told me I will never leave you nor will I forsake you I m going to be with always On June 19 2021 I was at my church that Saturday morning crying and praying I felt so all alone I was under such heavy burdens I felt like what the prophet Isaiah said When the enemy shall come in like a flood As I was crying talking to the Lord telling him I feel so all alone I don t have anybody I heard Jesus say unto me I am your friend that sticks closer than a brother
