Do Not Worry:

"Do Not Worry, Do Not Be Anxious, Do Not Be Afraid" Thomas Lamb,2014-09-23 We live in a world of worry anxiety and fear a natural part of the human experience but dwelling on anxiety provoking thoughts can cause exquisite pain both emotionally and physically In the Scriptures there are 200 sites where God s people are directed not to worry not to be anxious not to be afraid Like a loving father God wants us to remember that He is driving the bus and He is urging us to let go of our fears and trust in Him If we pay attention to these messages we can leave worry anxiety and fear behind We can enjoy a calm peaceful mental state in spite of whatever difficulties arise And that is the goal of Do Not Worry Do Not Be Anxious Do Not Be Afraid With this soothing collection of messages taken from Scriptures may you find the peace of mind that comes from having faith in God and following His path

Thou Shall Not Worry John James Abekah,2025-12-06 Do not worry Three words that sound gentle yet carry the full authority of Heaven In Thou Shall Not Worry John James Abekah unveils a forgotten commandment for victorious living Drawing from Scripture real life stories and practical wisdom he exposes how worry has disguised itself as care and how faith has too often been mistaken for laziness This is not a book about pretending everything is fine It s about learning the divine rhythm between peace and purpose resting in God while taking responsible action Through powerful reflections like The Mind Under Siege Faith as Mental Discipline and When Peace Looks Like You Don t Care you ll learn how to Break free from chronic overthinking and spiritual anxiety Replace panic with purposeful faith Lead your family and team into calm confidence Discover the beauty of stillness without slipping into stagnation Whether you are a leader parent or believer longing for peace this book will reset the tempo of your heart to Heaven s rhythm where trust and diligence move together like a heartbeat Because peace isn t silence it s the steady pulse of faith

The Persecuted Human Brains in the Way to the Cross Ramsis F. Ghaly MD FACS,2016-12-09 As wars continue persecution against Christianity is considered the highest among all religions The author explores deep within the oppressed brains Many people wonder what goes on inside the human brain during times of discrimination and injustice In silence the human brain carries the burden of misery Our earthly journey is endowed with obstacles and suffering that ultimately leads down the way to the cross The daily news of bloodshed is overwhelming and human trafficking is on the rise It is the time to reconcile to prepare for the ascent of the human soul to its Creator at the moment of departure The book takes the reader from the time of Adam and Eve and Jesus Christ on the cross to our current time of persecution going through the pilgrimage to the cross The book acknowledges the present challenges facing Christians and explores the battles of good versus evil in the times of antichrist It connects the human brain to its soul as it relates to the eternal spirit in eight sections and thirty five chapters The reader will experience the path to the cross through the depiction of sorrows sadness losses and turmoil but also of strength courage and hope The audience will relay the invisible spiritual facts beyond the obvious on the way to the cross in times of weeping praying singing and times of thanksgiving *Feasting on the Word*
