**A Do-it-at-home Retreat** Andre Ravier,1991 A most helpful and careful guide to anyone who desires to make an Ignatian retreat but is unable to make the Spiritual Exercises in a normal retreat It is designed for those who want sincerely to place themselves face to face with God so as to order their lives along his loving designs **Do It at Home Retreat** Ignatius Press, *A Do It at Home Retreat* ,2018-04 **Finding True Happiness** Fr. Robert Spitzer, SJ,2015-04-23 One of the hottest topics in contemporary culture is happiness so much so that the United Nations declared an International Happiness Day in response to the immense popularity of Pharrell Williams song Happy The explanation for this current fixation seems to lie in the contrary phenomenon unhappiness Despite the fact that we have tremendous access to every imaginable form of entertainment we experience a pervading sense of insecurity emptiness and malaise amid sporadic peak experiences The problem seems to lie less in the external environment than in the internal one We seem in the words of Viktor Frankl to be suffering from an absence of meaning that pervades both individuals and societies giving rise to a collective emptiness loneliness and alienation Finding True Happiness attempts to provide a way out of this personal and cultural vacuum by helping people to identify and then reach for happiness As Aristotle noted 2 400 years ago happiness is the one thing we can choose for its own sake everything else is chosen for the sake of happiness After an exhaustive investigation of philosophical psychological and theological systems of happiness author Fr Spitzer developed the Four Levels of Happiness which he based on the classical thinkers Plato Aristotle Augustine and Aquinas the contemporary philosophers Marcel Scheler Buber Ricoeur and Jaspers and the modern psychologists Maslow Frankl Erikson Seligman Kohlberg and Gilligan Finding True Happiness is both a philosophical itinerary and a practical guidebook for life s most important journey from the mundane and the meaningless to transcendent fulfillment No other book currently available combines such breadth of practical advice and such depth of philosophical psychological and spiritual wisdom **Be Still** Jane E. Vennard,2000-06-01 Many people long for a deeper relationship with God yearning for silence in a noisy world and a respite from busyness Written for lay and ordained leaders who wish to bring the gift of space and silence to members who feel called to the contemplative journey the book introduces the purpose of retreats provides a theological and biblical understanding of the model and offers guidance for designing and leading these gatherings Sample retreats a design for home retreats and suggested resources are included **Create Your Writer's Life: A Guide to Writing With Joy and Ease** Cynthia Morris,2015-03-27 Create Your Writer s Life offers a coaching approach to develop a writing practice that actually works Finally a resource that allows you to do it your way and that works **Yoga for Anxiety** Mary NurrieStearns,Rick NurrieStearns,2010-02-02 Many of us face daily demands and overwhelming difficulties that cause seemingly uncontrollable feelings of anxiety and fear When you feel this way it s healing to calm yourself and to reclaim your sense of innate goodness and well being For centuries yoga has offered a quiet retreat away from life s pressures and has
