book is a perfect selection for high school and college grads or someone getting ready to make a career change *Effective Leadership in Nigeria* Dr. Onyema G. Nkwocha, 2012-01-04 *Effective Leadership In Nigeria Practical Ways To Build an Effective Inspiring Transformational and Visionary Leadership and Governance in Nigeria* is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems principles processes procedures and practical applications inherent in effective inspiring visionary and enthusiastic leadership It attempts at instituting building and encouraging good effective and visionary leadership in the nation and that is currently virtually lacking From the outset the author makes it clear that this writing is not designed to model or fit any known leadership paradigm theory or management style Rather based on relevant research on leadership as it impacts the Nigerian situation the book attempts to explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better The book is written and organized in a way that reflects and captures the contemporary experiences frustrations psychological emotions aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country their concerns questions dreams and the expectations that have virtually gone unmet in the past more than half a century Properly elucidating what leadership means and differentiating it from rulership this book couldn't have come at a better time to assist Nigeria's leadership struggles A masterpiece Dr Nkwocha has taken the current apathetic leadership lull and almost leadership void in the nation and set the leadership principles and processes on the cutting edge The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of meaningful leadership its principles processes and pragmatic applications The book is a must read **Encyclopedia of New Religious Movements**

Peter Clarke, 2004-03-01 *New Religious Movements* NRMs can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality Moreover many are having a profound impact on the form and content of mainstream religion The *Encyclopedia of New Religious Movements* provides uniquely global coverage of the phenomenon with entries on over three hundred movement from almost every country in the world Coverage includes movements that derive from the major religions of the world and to neo traditional movements movements often overlooked in the study of NRMs In addition to the coverage of particular movements there are also entries on topics themes key thinkers and key ideas for example the New Age Movement Neo Paganism New Religion and gender NRMs and cyberspace NRMs and the law the Anti Cult Movement Swedenborg Jung Teilhard de Chardin Lovelock Gurdjieff al Banna Qutb The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs of their extraordinary diversity and the often surprising ways in which they can propagate geographically The most ambitious publication of its sort the *Encyclopedia of New Religious Movements* is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences Entries are cross referenced
