

# PERSONAL STATEMENT

## WHAT TO DO & WHAT TO AVOID

CAREERRELOAD.COM

### DO'S

1

#### **Do Start Early**

Begin drafting your personal statement well before the application deadline. This gives you ample time to revise and refine your essay.

2

#### **Do Be Authentic**

Write in your voice and be honest about your experiences, goals, and aspirations. Authenticity resonates more.

3

#### **Do Highlight Your Achievements**

Clearly present your accomplishments, skills, and experiences that are relevant to the program you're applying for.

4

#### **Do Tailor Your Statement**

Customize your personal statement for each university or program. Mention specific aspects of the program that attract you and how they align with your goals.

5

#### **Do Show, Don't Just Tell**

Use specific examples to illustrate your points. Instead of saying you're passionate about a subject, describe an experience that demonstrates this passion.

6

#### **Do Focus on Your Future**

Clearly articulate your career goals and how the program will help you achieve them. Show that you have a clear plan and vision for your future.

### DON'TS

1

#### **Don't Plagiarize**

Ensure your personal statement is entirely your own work. Admissions committees can easily detect plagiarism, and it can result in disqualification.

2

#### **Don't Use Clichés**

Avoid overused phrases and generic statements that don't add value or differentiate you from other applicants.

3

#### **Don't Exceed the Word Limit**

Adhere to the word limit specified by the university. Exceeding it can be seen as not following instructions.

4

#### **Don't Be Vague**

Avoid making broad or vague statements. Be specific about your experiences and how they've shaped your interest in the field.

5

#### **Don't Focus on Negative Experiences**

While it's okay to mention challenges, ensure the focus is on how you overcame them and what you learned, rather than dwelling on the negatives.

6

#### **Don't Overuse Thesaurus**

Using overly complex words or jargon can make your statement difficult to read. Aim for clarity and simplicity.
