## **Doctors Calling:**

**The Editorial** ,1916 Phraseology Sylviane Granger,Fanny Meunier,2008-06-01 Long regarded as a peripheral issue phraseology is now taking centre stage in a wide range of fields This recent explosion of interest undoubtedly has a great deal to do with the development of corpus linguistics research which has both demonstrated the key role of phraseological expressions in language and provided researchers with automated methods of extraction and analysis The aim of this volume is to take stock of current research in phraseology from a variety of perspectives theoretical descriptive contrastive cultural lexicographic and computational It contains overview chapters by leading experts in the field and a series of case studies focusing on a wide range of multiword units collocations similes idioms routine formulae and recurrent phrases The volume is an invitation for experienced phraseologists to look at the field with different eyes and a useful introduction for the many researchers who are intrigued by phraseology but need help in finding their way in this rich but complex domain Today's Stoic, Tomorrow's Hero? Gerald T Keep,2005-10 A wrenching account of one family's five year battle with what proved to be terminal liver disease this story explores all aspects of the difficulty in raising a family under such conditions Written from the point of view of the primary caregiver the story reveals much about the possible challenges facing the 17 000 families now waiting for a liver transplant in the USA Many more face other debilitating diseases or the ravages of age Despite his scientific training to try to understand what is happening the author is crushed by the medical bureaucracy and the wild ups and downs of the course of the disease Having adopted their children the author struggles with his fundamental values and his conflicting responsibilities to the children and to his ailing wife This book should help friends and family better understand what a stoic experience the caregiver of one seriously ill may be going through More importantly it can show such a lonely individual that what they are going through is not unique and that they need not be alone As events proceed through hospice funeral and grief the author looks back on their time together and reflects on the nature of life and love

**The Mommie Dearest Collection** Christina Crawford,2017-11-21 Together in one volume for the first time The harrowing 1 New York Times bestseller with a new introduction and its triumphant sequel This volume includes two memoirs by Christina Crawford recounting the abuse she endured as a child and her journey to recovery as an adult Mommie Dearest An unprecedented memoir of child abuse Mommie Dearest also chipped away at the facade of Christina Crawford's alcoholic abuser her adoptive mother movie star Joan Crawford What transpired between a seemingly fortunate child of Hollywood and a controlling and desperate woman was an escalating nightmare and for Christina a fierce struggle for independence This ebook features an exclusive new introduction by the author plus rare photographs from her personal collection and a revealing one hundred pages of material not found in the original manuscript A horror story that goes beyond showbiz scandal mongering Delivers an unexpected charge The New York Times Probably the most chilling account of a mother daughter relationship ever to be put on paper Los Angeles Times Survivor Mommie Dearest cast a spotlight on the unspoken

horrors of family violence but the years following its publication tested Christina Crawford's resilience in unexpected ways a backlash intended to shame her a film adaptation that compounded the trauma alcoholism divorce and a stroke that left her paralyzed Staying true to her fighting spirit the author made a remarkable comeback Survivor is more than a memoir of triumph over tragedy For anyone who has suffered challenging despair it is a spiritual roadmap to recovery finding peace and celebrating a fulfilling life One closes this fine moving read with great respect for Christina Crawford Kirkus Reviews

[Selling Pharmaceuticals-A Love Affair](#) Mumtaz Akhtar, 2015-01-31 This book is called A Love Affair basically for two reasons The first is that I love medical representatives and wish to empower them to lead fruitful satisfying lives I have myself worked for seventeen years as a medical representative This book is the labour of Love and tribute for the medical representatives with whom I have been associated for thirty one years of my life While rewriting the book for the second time I realised and was amazed by the similarity in the way that a sales persons job must be perused and in the way a young man woos his lady love to persuade her to marry him In fact the similarities were so wide that the book demanded to be written as A Love Affair This rewriting of the book made it suitable for all Sales People in addition to the medical representatives hence the title The second reason for calling it A Love Affair is the way that the book is written All the aspects discussed here may be closely related to A Love Affair Similarities occur that make the understanding of the sales process at once easy and interesting
