Does God Still Bless America:

Does God Still Bless the U. S. A. ? Lee Greenwood, 2012-05-14 What an incomparable gift Lee Greenwood gave us with God Bless the U S A a song ingrained in America s soul It endures as one of the most loved patriotic songs of the last century This legendary award winning country music artist now offers personal insights into America s challenges and her future in his book *Does God Still Bless the U S A* The book calls for citizens to embrace an authentic patriotism while pointing out problems that simply should not be happening in our country When our ancestors landed in America they believed their inalienable rights came from a God who loved them and blessed them with the opportunity to establish a new nation Unapologetically Lee urges the return to faith and the founding principles that have proven to be the strength of our civilization Each chapter illuminates areas essential for maintaining our freedom prosperity and safety Lee Greenwood believes America is at a crossroads and people are wanting someone to tell the truth Here it is **God-Greed Bless America?** Joseph Alan Redman, 2012-05 Lulled into comfort by the luxuries and freedoms enjoyed in the United States many Christians come to the conclusion that this country must be the recipient of a special blessing from God Using his keen insight and extensive experience Joseph Redman dismantles this common belief Instead he argues convincingly that our modern culture is structured to reward greed and selfishness not true godliness What effect does this have on the strength of the Church as a whole Through the use of Scripture and commentary based on many years of study Joseph shows how excessive greed and the abuse of what he calls ego power are pulling Christians away from the Church He then challenges us to examine our own lives and to find a better way to actively express true Christ like love to the least of these in our world Only when we focus on Christ can we view our nation in proper perspective Joseph Redman does community service as a hospital clown but there is nothing funny in the arguments he sets out in this book With passion and insight he has identified the fixation on wealth as America s Golden Calf he has called into question the easy identification of God and country and he has reminded Christian believers of which first things should come first This is a serious book that deserves to be read seriously Mark Noll Francis A McAnaney Professor University of Notre Dame **The Search for Christian America Can God Bless America?** John F. MacArthur, 2002-07-13 Recently and seemingly overnight the once cliché slogan God Bless America became almost a national mantra John MacArthur gets to the heart of the matter by asking the questions most Americans choose to ignore Should God bless America and Is America deserving of blessing Turning to the Old Testament he presents the simple truth of God s word his blessing has always had conditions MacArthur calls the Nation to turn back to God by showing us how we can become a nation that is once again blessed by God [The JOY of Giving: Prosperity Politics in America and Why Evangelicals Have Not a Clue](#) Philip Ellerbrock, 2010-07-12 Have you tried purpose driven life styles after Y2K prayed the prayer of Jabez and still find yourself empty and dissatisfied come credit crisis in 9 08 or oil spilling off the Casino Coast We have Our journey takes us back to Christ from Protestant workaholic righteousness even from Mother

 governed by the people for the people Over the years our elected officials sometimes forget the wishes of our founders In this
 book I guide the reader into realizing how great this country is when the politicians follow the Constitution and the Bible
 These were the bases for this new kind of government that was established in 1778 This book gives many examples of how
 our elected officials should look to the Constitution and the Bible when making laws Too often our politicians forget they
