Dog Logic Companion Obedience Rapport Based Training:

Dog Logic Joel M. McMains, 2007-08-31 To train your dog effectively you must establish more than authority and obedience You must train the dog to want to please you You must establish rapport It is upon this basis that the excellent training regimen given in Dog Logic Companion Obedience is developed Understanding your dog's natural behavior and responses to the world he lives in is the key to achieving the training results you want That key is provided in this book and will result for you in a responsive obedient dog that accepts your leadership and happily lives by your rules This is mutual respect that works The exercises in Dog Logic are for the companion dog and if you like the obedience trial dog They guide you gradually and expertly through the whole series of training objectives and your ultimate reward is a dog you can always be proud of Week by week and level by level you will see your dog gaining poise polish and the admiration of all who meet him You and your dog will become a living example of what it means to be a smoothly functioning dog human partnership These training methods are tested proven and reliable and can make a world of important difference for you and your dog A Howell Dog Book of Distinction

Part Wild Ceiridwen Terrill, 2011-10-11 Part Wild is the unforgettable story of Ceiridwen Terrill's journey with a creature whose heart is divided between her bond to one woman and her need to roam free When Terrill adopts a wolfdog part husky part gray wolf named Inyo to be her protector and fellow traveler she is drawn to Inyo's spark of wildness compelled by the great responsibility even danger that accompanies the allure of the wild and transformed by the extraordinary love she shares with Inyo who teaches Terrill how to carve out a place for herself in the world Over almost four years Terrill and Inyo's adventures veer between hilarious and heartbreaking There are peaceful weekends spent hiking in snowy foothills mirthful romps through dirty laundry joyful adoptions of dog companions and clashes brought on by the stress of caring for Inyo insatiable without the stimulation of a life lived outdoors Forced to move and accommodate the complaints of fearful neighbors and the desires of her space craving wolfdog Terrill must confront the reality of what she has done by trying to tame a part wild animal Driven to understand the differences between dogs and wolves Terrill spent five years interviewing genetics experts wolf biologists dog trainers and wolf rescuers in the United States Germany Hungary Sweden and Russia The fascinating results of her investigation make Part Wild as informative as it is moving A gifted writer able to capture the grace and power of the natural world the complexity of scientific ideas and the pulse of the human experience Terrill has written a bittersweet memoir of the beauty and tragedy that come from living with a measure of wildness
