From Beyond Time - Conversations With The Divine Self Doina Cotfas,2019-11-09 I read in a book that poverty belongs to those who do not want to exit their comfort zone to discover their passion or their calling hidden within their soul I wrote this book after I lived the experience of a cancer overcoming the ego that always prevented me from being myself from fulfilling my mission I only left God to lead my hand to be His tool through which a glimpse of light reaches out to you This book is yours it belongs to you You only get answers to the questions that we have in regards to life love forgiveness lack of money or existence of diseases directly from the source sitting at the table and talking to God or if you prefer the term the Divine Self I am the drop that falls on your window blown by the wind Human we are so small and still so big enjoy every moment and experience LOVE at its maximum under all its forms Every moment is unique and irreversible Learn to love Learn to forgive yourself so that you can forgive the others afterwards **At The Feet Of The Master (Manal Reiki)**

The Interfaith Alternative Steven Greenebaum,2012-04-01 There is no them there is only us celebrating our common humanity Whatever your spiritual path chances are that the primary tenets of your faith include universal love acceptance and compassion Yet three thousand years after Moses twenty five hundred years after the Buddha two thousand years after Jesus and fifteen hundred years after Muhammad we are still divided by our differences Religious intolerance discrimination even persecution and violence make up the not so golden rule The Interfaith Alternative shows us how we can celebrate each other without fear of losing our own identity It illuminates the path to creating a nurturing spiritual community that honors and includes all religious languages an alternative to Jews worshipping only with Jews Christians with Christians and Muslims with Muslims In doing so it demonstrates that through coming together in a mutually supportive environment we can concentrate on our shared desire to remake the world into a compassionate loving place At its core Interfaith is about community and justice Once we truly embrace diversity we embrace our common humanity A powerful antidote to the current climate of fear and mistrust The Interfaith Alternative argues that it is not how we encounter the sacred but what we do about it that counts there are positive alternatives to religious lines in the sand Steven Greenebaum is an Interfaith minister whose experiences directing choirs of different faiths and denominations have helped him to understand the profound wisdom of many spiritual traditions Steven has dedicated his life to working for social and environmental justice He is the founder of the Living Interfaith Church in Lynnwood Washington
