Beyond Spite:

Beyond Faith and Reason Tim Holmes, 2009-09-14 Once again Holmes brings us deeper along the journey of self analysis in his latest critique of identity Traditional and contemporary philosophies alike are surveyed with provoking style to illuminate a novel introspection The primary goal remains the constituents of human identity Through an analysis of reason affectivity aesthetics and responsibility this new view presents the human person as the indelible foundation of selfhood Not only does the psychology presented allow for a delineation of the various elements of who we are but emerging alongside is a cogent epistemology and spiritual orientation The depths of existence and the self are equally plumbed and artistically rendered despite their transcendent ends

Governance Beyond the Law Abel Polese, Alessandra Russo, Francesco Strazzari, 2019-03-29 This volume explores the continuous line from informal and unrecorded practices all the way up to illegal and criminal practices performed and reproduced by both individuals and organisations The authors classify them as alternative subversive forms of governance performed by marginal and often invisible peripheral actors The volume studies how the informal and the extra legal unfold transnationally and in particular how and why they have been are being progressively criminalized and integrated into the construction of global and local dangerhoods how the above mentioned phenomena are embedded into a post liberal security order and whether they shape new states of exception and generate moral panic whose ultimate function is regulatory disciplinary and one of crafting practices of political ordering

Beyond the Tyranny of the Text James Henry Harris, 2019-10-15 Preachers and students of preaching need help communicating hope They want their sermons to communicate the promises of scripture so that people can envision a new world in which their lives will be transformed Preachers want to experience a new sense of freedom in their preaching and to extend liberation based on their reading and interpretation of the scripture James Henry Harris introduces interpretation theory and continental philosophy as a resource for preachers to resist and overcome interpretive oppression and lays out a new theory of scriptural interpretation He analyzes philosopher Paul Ricoeur s hermeneutics as a helpful guide for modern preachers and incorporates in his analysis of the lived experience of the Black church Harris highlights the preaching of several 19th and 20th century Black women including Jarena Lee Maria Stewart and Mary Evans *Beyond the Tyranny of the Text* develops a five part method for preaching that stretches from preparation to proclamation and demonstrates how this method for interpretational creativity emerges from fidelity to the text Harris demonstrates his method with sermonic exegesis of the Book of Jonah With this new process of reading rereading un reading writing and un writing the text the author offers wisdom and tools for reflection and illumination At its core *Beyond the Tyranny of the Text* challenges the field of homiletics and all preachers to un write like Jesus Christ to get in front of the text to understand preparation and preaching as a creative and transformative enterprise
