Beyond Time-Out Beth A. Grosshans, Janet H. Burton, 2009-10-13 The covers of such magazines as Time and Newsweek have described parents as living in mayhem and madness with their children TV s Supernanny regularly captures kids wildly unbelievably out of control How did our families get to such a state Child psychologist Dr Beth Grosshans has the answer And mothers and fathers everywhere are listening In what is sure to become a much discussed blockbuster Dr Grosshans reveals why she believes nearly a half century of parenting advice with its emphasis on talking exalting children s self esteem and time outs is largely to blame for today s lack of discipline Her innovative ideas and techniques challenge this prevailing culture proving that power and authority are as essential as love and good intentions to effective parenting She persuasively explains why kids can only grow up healthy and strong when firmly led by their parents experience and better judgment and provides a clear easy five step program to follow She enables parents to look at themselves clearly and identify their child rearing style they are often shocked to discover how their own behavior has inadvertently caused an imbalance in the family s structure Reading Beyond Time Out is akin to sitting with Dr Grosshans in her clinical office and her core truths about healthy parent child relationships are timeless

The Flame Beyond Time William G. Boundroukas, 2025-08-15 The Flame Beyond Time is not a book you simply read It is a place you step into a poetic mythic scripture of speculative memory that invites you to wander linger and listen Here science fiction brushes against theology mysticism meets quantum wonder and every page is threaded with the hush of something sacred I didn t write this to be a straight line story I wrote it for moments moments when you pause breathe and feel the words reach for you Like a psalter or a prayer it can be opened anywhere Every canticle fragment and vision stands alone yet together they form a living tapestry You will meet Aelira Fr Iosif and the Child as you might meet constellations on a night walk not in neat introductions but in glimpses that slowly become familiar Some passages are only a breath others invite you to stay awhile This work came from many places in me creative writing dreams and stories gathered over decades as a lawyer listening to people at their most vulnerable But most of all it came from my daughter Katerina She has never spoken yet she has taught me that silence is not empty It is full It arrives before words and stays after they are gone If you open this book and somewhere in its pages find a piece of your own longing a spark of mercy or the sense that you are not alone then it will have done its work Everything beyond that is grace
