

worthy draw! Yes, yes, sometimes you do have such strokes of luck... really undreamed of. I remember, at that time, I was on mission in Cambodia... and one day, quite by chance, in a rather squalid sort of little shop, the kind in which you least expect to find... filled with a hodgepodge... all kinds of cheap things, the kind that are mass-produced for foreigners..., it was full of shoddy buddhas, stuffed birds... I don't know what impelled me to go in... there are days when you have sort of premonitions... I picked up the corner of a rug, the pattern looked amusing to me... and there... I couldn't believe my eyes... a real little marvel... but you've seen it at my place... —The little dancing girl? —Yes. That's it. The shopkeeper hadn't the vaguest suspicion... Of course I didn't let on anything... And you know, that's not out of greed... He nods his head vigorously... Yes I know. Obviously there's no question of that. It's something else.

Yes, he knows, he understands... It's to be alone, alone to know, alone to discover. It's to create, to confer life a second time. To snatch from death, from decay, from depreciation, to press against one's breast and, refraining from running, bring it back home, shut oneself in with it... alone together... no one should disturb us... and taking out his tools, his pure wool rags, pure linen rags, his emery-boards, his chamoliskins, his paint-brushes, his other brushes, his varnish removers, his oils, his waxes, his bottles of varnish, scratch, coat, wait, calculate, hope, despair, persist, scrape again, rub, as though his own life depended on it... stopping, worn out, starting again, forgetting to

eat, to sleep... until finally... —Ah, it was still more beautiful than I had hoped. Under the layer of cheap paint, not a particle that's been retouched, not a crack... the wood quite undamaged... of excellent quality... a beauty, but you've seen it... Yes, he has seen it... resplendent, occupying the place of honor, surrounded with consideration, its rights restored... —Yes. I admired it...

But I myself, you understand... I... I must say that I have never been a collector... Never, isn't that so? That they know. That you know, over there? I never have been. I haven't got, you'll grant me this, the temperament for it. It's not my nature... On the contrary... That makes them smile. The contrary of a collector... What clumsiness... the things they make you say when they are there listening to you... But it's true, he's not one. No, that's not where he belongs, not at all. They shouldn't put him there, not in the same bag, not in the same section. That's not his case. They must not shut him up with such as those...

They must remember, they couldn't have forgotten it... we laughed over it together... we thought they were so comical, those harmless lunatics prowling about the old-iron market, the flea-market, the stamp-market... it was a scream, he was laughing with them... Not out of tact, not out of politeness... too polite to be honest... No, not at all, no, they shouldn't think that, he had laughed whole-heartedly, it was so funny, ludicrous, they told it with such wit, they described it so

**Can't You Hear Them?** Simon McCarthy-Jones, 2017-04-21 What's wrong with you? People who hear voices will often hear this alienating question and are treated ineffectively with anti-psychotic drugs. Recounting the stories of voice hearers, this book suggests that we should instead ask: What happened to you? and offers an alternative approach to auditory hallucinations.
