## Doctors And Wives:

**Married to Medicine** Carla Fine,1981      Doctors' Wives Frank G. Slaughter, Doctors Wives Disease is not an imaginary ailment For in the closed inbred society of a great medical center these women the wives of superbly successful physicians are driven by loneliness boredom and frustration along forbidden pathways And alcohol drugs and promiscuity become their alternatives to despair A radio bulletin tears the camouflage from the apparent prosperous tranquility of the community A prominent Weston physician has just shot and killed his wife A man with the victim at the time and identified only as another doctor was also seriously wounded Five doctors wives hear the announcement and each one of them comes with despair and terror to realize that her husband himself just might be involved in the scandal either as philanderer or killer Where has trust gone And where is love Beneath this scandalous and passionate picture of human weakness is a tale perhaps even more striking and that is Dr Slaughter s brilliant minute expert s picture of the urgent business of an ultramodern hospital His descriptions in fascinating detail of a heart operation and a brain operation are breathtakingly suspenseful and based on the most advanced medical and surgical knowledge      Doctors' Wives Henry Lieferant,Sylvia Lieferant,1930 A doctor s wife estranged by the demands of his profession becomes a nurse and learns to share his devotion Cf Hanna A Mirror for the nation      Doctors and Doctors' Wives Francis J. C. Roe,1989      *Doctors and Doctors' Wives* C. F. Roe,Francis J. C. Roe,1990 A fascinating medical novel written by a physician whose masterful storytelling and compelling authenticity catapult him into the bestselling ranks of Robin Cook and Barbara Wood      **Ebony** ,1981-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine      **The Secret Lives of Doctors' Wives** Ann Major,2012-09-17 He always got what he wanted Pierce Carver was one of Austin s richest most successful surgeons And he was going to marry trauma nurse Rose Marie Castle and put her aching feet into glass slippers Unfortunately the doctor had a weakness for the allure of youth and feminine perfection He jilted Rose Marie three years ago and she s still dreaming of revenge Until someone wanted him dead And things are looking bad for Rose Marie The night Pierce died she was inside his magnificent home half naked and very willing to accept his apologies Now she s the prime suspect Worse her high school sweetheart is the investigating detective But if Rose Marie didn t kill the not so good doctor who did Between his ex wives his angry stepchildren and the deep dirty secrets driving their lives somebody resorted to murder And it looks as if Dr Carver kept the biggest baddest secrets of all      **The Doctor in Literature: Private life** Solomon Posen,2005 This is a structured annotated and indexed anthology dealing with the personality and the behaviour of doctors and doctor patient relationships ideal for medical humanities courses      *To-day* ,1895      **Understanding Marriage, Family, and Intimate Relationships** Jerry D. Lehman,2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed

that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one's life It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting [www.understandingrelationships.net](http://www.understandingrelationships.net)
