## Doctrine Of God:

The Christian Doctrine of God Emil Brunner,2014-10-10      The Christian Doctrine of God William Newton Clarke,1910

*The God Who Is Triune* Allan Coppedge,2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God s nature attributes roles relationship to creation and providence      **The Doctrine of God** Herman Bavinck,1951      **The Bible Doctrine of God, Jesus Christ, the Holy Spirit, Atonement, Faith and Election** William Kinkade,1908      *Church Dogmatics* Karl Barth,2000-11-01 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth s theology found its expression mainly through his closely reasoned fourteen part magnum opus *Die Kirchliche Dogmatik* Having taken over 30 years to write the *Church Dogmatics* is regarded as one of the most important theological works of all time and represents the pinnacle of Barth s achievement as a theologian      **Perspectives on the Doctrine of God** Bruce A. Ware,Paul Helm,Roger E. Olson,John Sanders,2008 Classical Calvinist Modified Calvinist Classical Arminian and Open Theist views are evenly and productively discussed in *Perspectives on the Doctrine of God*      *The Order of God* Aaron Yom,2018-10-17 In this most up to date study Aaron Yom provides a comprehensive analysis of the doctrine of God particularly from a pneumatological perspective He focuses on retrieving the order of God that has been consistently misunderstood and mistreated by modern scholars The author carefully examines scholarly works of modern thinkers such as Karl Barth Thomas Torrance Karl Rahner David Coffey Jurgen Moltmann Clark Pinnock and Stanley Grenz as well as ancient masters such as Augustine and Aquinas With a critical analysis he highlights the strengths and weaknesses of their work to lay a foundational platform for understanding God s order in the twenty first century theological context Yom proposes a holistic approach that does not marginalize the logic of the Trinity that begins with God s order of ontology rather than God s order of economy though the former is read from the latter He maintains the intricate balance of the immanent Trinity and the economic Trinity with his newfound principle of identity and duality Yom offers several new theological paradigms for those who are interested in the topic of systematic theology      *The Christian Doctrine of God, One Being Three Persons* Thomas F. Torrance,2016-01-28 Thomas F Torrance offers a detailed study of the most profound article of the Christian faith the Holy Trinity Torrance adopts a holistic approach when examining the interrelatedness of the three persons Father Son and the Holy Spirit and their dynamic Communion with the Being and Nature of God Combining immense academic range with his characteristically fresh theological perspective Torrance builds a significant theological bridge between ancient and modern as well as between the Roman and Protestant theology he engages deeply with the Church Fathers and discusses the ontological nature of God Here Torrance conveys a simple message the doctrine of the Trinity is the doctrine of God From back cover      The Christian Doctrine of God (Classic Reprint) William Newton Clarke,2015-07-10 Excerpt from *The Christian Doctrine of God* The work

that was entrusted to me by the General Editors of the International Theological Library was simply the presentation of the conception of God that is characteristic of the Christian religion I was not sent to search for God but rather to report as well as I might what the Christian faith testifies concerning him It has seemed to me that this single commission was enough for me to undertake and I have attempted nothing more No report of the literature of the subject will be found upon these pages nor any quotation of other men s work nor any controversy It is the sole endeavour of the book to set forth the Christian doctrine of God for the present day not the doctrine of the past or of the future but the thought of God that we may now entertain if we follow the leading of Jesus Christ the revealer So far as I have the power I have sought to be faithful both to the ancient light to the modern and I have hoped that my presentation might bear reasonably well the tests of the present time There are many ways of dealing with the vast and glorious theme and certainly there must be room for a book that simply aims to show forth doctrine as Christian faith may receive it now I have written in the full conviction that the light which Jesus Christ gives us upon God is the true light and that God is such a Being as he inspires us to love and trust About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Doctrine of God* Veli-Matti Kärkkäinen,2017-05-16 In recent years the doctrine of God has once again become a central focus of theological discussion and debate In this ecumenical international and contextual introduction internationally respected scholar Veli Matti Kärkkäinen offers a global survey of understandings of God in Scripture Christian history and contemporary theology This new edition incorporates developments in theological research over the past decade and has been substantially

updated throughout *The Christian Doctrine of God* Emil Brunner, Olive Wyon, 2002 **The Christian Doctrine of God** James Stuart Candlish, 1860 *The Doctrine of the Trinity* Sir Anthony Buzzard, Charles F. Hunting, 2023-11-30 This important work is a detailed biblical investigation of the relationship of Jesus to the one God of Israel. The authors challenge the notion that biblical monotheism is legitimately represented by a Trinitarian view of God and demonstrate that within the bounds of the canon of Scripture Jesus is confessed as Messiah, Son of God but not God Himself. Later Christological developments beginning in the second century misrepresented the biblical doctrine of God and Christ by altering the terms of the biblical presentation of the Father and Son. This fateful development laid the foundation of a revised unscriptural creed that needs to be challenged. This book is likely to be a definitive presentation of a Christology rooted as it originally was in the Hebrew Bible. The authors present a sharply argued appeal for an understanding of God and Jesus in the context of the original Christian documents. **Biblical Doctrine** John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master's Seminary. Doctrine isn't just for theologians; it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as God, the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader with non-technical vocabulary, minimal footnotes, and a helpful bibliography, this volume offers Christians a solid foundation for what they believe and why. [Called to Believe: A Brief Introduction to Christian Doctrine](#) Steven P. Mueller, 2006-11-15 [Called to Believe](#) is an abridgment and condensation of the more comprehensive text [Called to Believe: Teach and Confess](#). It offers an accessible introductory overview of the major doctrines of Christianity. Written from a Lutheran Christian perspective, this book is a helpful resource for those within that tradition and to others who seek a deeper and broader understanding of Christian teaching. Firmly rooted in Scripture, this book directs the reader back to the Bible. It emphasizes the interrelatedness of all Christian teachings, with its central teaching being the doctrine of justification by grace through faith in Jesus Christ. It also includes the text of the three ecumenical creeds, accompanied by a brief introduction to their historical background. This book is ideal as an introductory text for university or advanced high school students and for other Christian adults who seek to expand their knowledge of God's revelation and its application in human lives. It introduces and uses classic theological vocabulary and terminology while offering clear definitions and application. Key terms, study questions, and a glossary help make this a valuable resource. Suggested readings from Scripture and secondary sources guide the reader into deeper study. **The Great Doctrines of the Bible** Reverend William Evans, 2010-08-28 *The Great Doctrines of the Bible* is comprised of a series of essay lectures given to students.
