*The Doctrine of Scripture* Brad East, 2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church s liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church s sacred tradition in service to the gospel and redounding to the glory of the triune God

Compiled from the Holy Scriptures Alone ... Translated from the Original by C. R. Sumner John Milton,1825      **The Great Doctrines of the Bible** William Evans,2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow William Evans **The Great Doctrines of the Bible**

**A Treatise of Christian Doctrine, compiled from the Holy Scriptures alone ... Translated from the original by C. R. Sumner** John Milton,1825      **Church Doctrine and the Bible** David Instone-Brewer,2020-05-13 You know the doctrines but are they biblical Too often Christians are content to state a doctrine list a few supporting Bible passages and proceed on to the next But are these doctrines truly derived from the Bible or are we slotting verses into our pre determined theological grids In *Church Doctrine and the Bible* biblical scholar David Instone Brewer applies his expertise in first century backgrounds and culture to popular Christian doctrines Peeling away thousands of years of theological development reveals how the Bible s original hearers would have understood these doctrines and helps us resolve some of our doctrinal disputes and misunderstandings Through this process Instone Brewer answers the question is this doctrine biblical *Church Doctrine and the Bible* will help pastors theologians and laypersons see familiar doctrines with fresh first century eyes By restoring the revolutionary simplicity of the Bible s teachings we gain new insights into these doctrines and what they mean for the church today      *The Typology of Scripture* Patrick Fairbairn,1852      *The Scripture Doctrine of the Church* David Douglas Bannerman,1887      *On Christian Doctrine* St. Augustine,2012-04-04 Since the dawn of the fifth century theology students religious scholars and Christian readers have turned to this volume for instruction Written by one of the foremost leaders in the development of Christian thought it offers practical as well as theoretical guidance on how to read the Bible and explain the meaning of scripture Augustine intended his treatise for the priests in his North African diocese of Hippo but ultimately the saint s counsel laid the groundwork for modern hermeneutics and semiotics The first of *On Christian Doctrine* s four parts begins with an overview of the subjects treated in holy scripture Subsequent parts discuss signs and their recognition the distinctions between literal and figurative expressions and the scriptures stylistic combination of eloquence and wisdom Above all Augustine s text concerns itself with the ways in which individuals can live in harmony with Jesus teachings Christians and non Christians alike value this work for its role in historical theology its influence on the development of

Biblical interpretation and its insights into the mind of a great Christian philosopher and ecclesiastic *The Doctrine of the Trinity* Sir Anthony Buzzard, Charles F. Hunting, 2023-11-30 This important work is a detailed biblical investigation of the relationship of Jesus to the one God of Israel The authors challenge the notion that biblical monotheism is legitimately represented by a Trinitarian view of God and demonstrate that within the bounds of the canon of Scripture Jesus is confessed as Messiah Son of God but not God Himself Later Christological developments beginning in the second century misrepresented the biblical doctrine of God and Christ by altering the terms of the biblical presentation of the Father and Son This fateful development laid the foundation of a revised unscriptural creed that needs to be challenged This book is likely to be a definitive presentation of a Christology rooted as it originally was in the Hebrew Bible The authors present a sharply argued appeal for an understanding of God and Jesus in the context of the original Christian documents For additional information visit the author's website at [www.restorationfellowship.org](http://www.restorationfellowship.org) [The Great Doctrines of the Bible](#) Reverend William Evans, 2010-08-28 The Great Doctrines of the Bible is comprised of a series of essay lectures given to students The subject matter is covered from a Biblical rather than a dogmatic perspective The Table of Contents includes 1 The doctrine of God 2 The doctrine of Jesus Christ 3 The doctrine of the Holy Spirit 4 The doctrine of man 5 The doctrines of salvation repentance faith regeneration justification adoption sanctification prayer 6 The doctrine of the church 7 The doctrine of the scriptures 8 The doctrine of angels 9 The doctrine of Satan 10 The doctrine of the last things the second coming of Christ the resurrection the judgment the destiny of the wicked the reward of the righteous **Church Doctrine, Bible Truth** Michael Ferree Sadler, 1865
