Contraceptive Research Introduction And Use Lessons From Norplant:

Contraceptive Research, Introduction, and Use Institute of Medicine, Division of Health Sciences Policy, Committee on Contraceptive Research and Development, 1998-04-03 As the first real contraceptive innovation in over 20 years and as a long acting method requiring clinical intervention for application and removal the implantable contraceptive Norplant has raised a wide range of issues that could offer valuable lessons about the problems to be addressed if other new contraceptive technologies are to enter the marketplace In April 1997 an Institute of Medicine workshop on implant contraceptives reviewed newly available data on Norplant s efficacy safety and use identified lessons to be learned about the method s development introduction use and market experience and explored approaches to developing and introducing new contraceptives based on those lessons This resulting book contains an examination of Norplant s efficacy and safety its user populations training for insertion and removal consumer perspectives quality of care informed decisionmaking and consumer involvement and new approaches to contraceptive development and introduction An appendix contains summaries of 17 workshop presentations

Contraceptive Research, Introduction, and Use: Committee on Contraceptive Research and Development Division of Health Sciences Policy, Institute Of Medicine, 1998-01-01 *Under the Banyan Tree* Sheldon J. Segal, 2003-01-30 Human population growth has been a topic of speculation and spirited debate since the English economist Thomas Malthus predicted that population will increase faster than the food supply with catastrophic results Today even as fertility rates decline on a global scale relentless increases in population and other population driven factors threaten not only the food supply but also the stability of entire regions of the world No single individual has contributed more to our understanding of scientific matters related to human population than Sheldon Segal has Pioneer in contraceptive research and developer of Norplant Segal has orchestrated many of the international clinical trials of new contraceptives in the last quarter century In this one volume Segal examines how population factors impact critical scientific elements of human affairs contraception family planning environmental degradation climate change food and fresh water supply and the threat of newly emerging diseases As we follow Segal from meetings with heads of state and foreign ministers through to his impassioned grassroots efforts to secure suitable funds for impoverished countries we gain a behind the scenes perspective on how individuals and nations juggle humanitarian and scientific concerns with political agendas Informed at every turn by Segal s keen intelligence and humane values *Under The Banyan Tree* skillfully blends engaging narrative with history and analysis providing a dramatic and all encompassing portrait of this most basic of human concerns [The Cairo Consensus](#) Saul E. Halfon, 2007-01-01 *The Cairo Consensus* explores population policy during the 1990s Starting from the question of how the transition from population control to women s empowerment was formulated as an international consensus Halfon maps the discourses technical practices and institutional practices that made this transition possible and stable *Bibliographic Guide to Womens Studies 1998* New York Public Library Staff, 1999-08 **Jadelle Levonorgestrel Rod Implants** Irving
