

Key Mysteries

*An exploration into the realm of the key:
being a tool in magick & mystery ...*

Steve Drury

Key Of The Mysteries

Barbara G. Walker

Key Of The Mysteries:

Key of the Mysteries Eliphas Levi, 1872-06-01 Eliphas Levi was steeped in the Western occult tradition and a master of the Rosicrucian interpretation of the Qabalah which forms the basis of magic as practiced in the West today *The Key of the Mysteries* represents the culmination of Levi's thoughts and is written with subtle and delicate irony It reveals the mysteries of religion and the secrets of the Qabalah providing a sketch of the prophetic theology of numbers The mysteries of nature such as spiritualism and fluidic phantoms are explored Magical mysteries the Theory of the Will with its 22 axioms are divulged And finally it offers the great practical secrets The true greatness of this work however lies in its ability to place occult thought firmly in Western religious traditions For Levi the study of the occult was the study of a divine science the mathematics of God

The Key of the Mysteries Eliphas Levi, 2018-01-26 In the Introduction Aleister Crowley who translated the book called it the masterpiece of Levi The author Eliphas Levi reveals how to use the most hidden of occult secrets to reach the highest order of the human mind The author has determined that the key to the world's mysteries resides on a higher plane that can only be accessed by reconciling the contradictions found in the dualism of reality The methods used to accomplish this are explained as being this key One may discover in this book the absolute knowledge of good and evil why alchemy is the daughter of the Qabalah secrets of life and death the astral world and the deeper mysteries of religion including the Christian Cross It also covers the use of Spiritualism the Tarot mesmerism mediumship magnetic powers and various forms of magic that may be used to invoke either angels or demons Eliphas Levi is legendary in the field of the occult transcendental magic and the hidden world If this book is indeed his masterpiece it should leave no question in the minds of readers regarding its ability to live up to its title the key of the mysteries

The Key of the Mysteries Eliphas Levi and Aleister Crowley, 2022-07-23 Eliphas Levi 1810-1875 born Alphonse Louis Constant was a sage poet and author of over twenty esoteric books He began writing at 22 years of age and was imprisoned twice for the critical nature of his work Eliphas Levi was steeped in the Western occult tradition and a master of the Rosicrucian interpretation of the Qabalah which forms the basis of magic as practiced in the West today *The Key of the Mysteries* represents the culmination of Levi's thoughts and is written with subtle and delicate irony It reveals the mysteries of religion and the secrets of the Qabalah providing a sketch of the prophetic theology of numbers The mysteries of nature such as spiritualism and fluidic phantoms are explored Magical mysteries the Theory of the Will with its 22 axioms are divulged And finally it offers the great practical secrets The true greatness of this work however lies in its ability to place occult thought firmly in Western religious traditions For Levi the study of the occult was the study of a divine science the mathematics of God
