The Reformation

The Reformation was a major religious movement in the 16th century that led to the creation of Protestant churches. It began in 1517 when Martin Luther posted his 95 Theses in Wittenberg, Germany. The movement spread across Europe, challenging the authority of the Roman Catholic Church and leading to significant changes in religious practices and church governance.

- Martin Luther's 95 Theses
- John Calvin's Geneva
- Ulrich Zwingli's Zurich
- Henry VIII's English Reformation
- The Protestant Reformation
- The Catholic Reformation

The Reformation had a profound impact on European society, leading to the rise of individualism and the secularization of society. It also led to the development of modern democratic principles and the separation of church and state. The movement was a key factor in the development of modern Western civilization.
