Norwegian Åse-Berit Strandskogen, Rolf Strandskogen, 1995 Norwegian An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers This is the ideal reference source for all learners Suitable for self study or class use *Norwegian: An Essential Grammar* Åse-Berit Strandskogen, Rolf Strandskogen, 1994-12-15 Adds to our busy programme of Scandinavian titles Swedish and Danish Grammars Norwegian Danish and Swedish Colloquials Authors Åse Berit and Rolf Strandskogen are professors in Norwegian as a Foreign Language at the University of Oslo Norway This book is a result of the authors many years experience as professors of Norwegian for foreign students **Bergens Museums Aarvog for 1892 ( -1946** Universitetet i Bergen, 1891 *The Rat Catcher* Max Manus, 2024-01-09 The rain splashes down and the same strange old feeling explodes in his chest The memories come and go as he trudges along the streets in the dark autumn night In a particularly dark place in the street he stops for a moment and as he pretends to pull his raincoat tighter around his neck he takes a good look around Not spotting any people he slips his hand under his armpit He moves the gun from his armpit into his coat pocket It s nice to feel the wonderful sense of security that the touch of a gun always gave him His cigarette has gone out a long time ago he puts the rain soaked stub in his mouth however reluctantly he wants to he has to spit out the remains He dreams more and more back to the time when it was serious The time when he had a task and life really seemed to have meaning How far it was and yet so damned close Tonight he feels more intensely than ever how lonely he is and how foolish his whole life seems to him his life which for five long years he has fought so hard to preserve His innate sense of humour is slowly starting to help him get back on track Although it a chore he stops and unbuttons his coat so he can reach into his trouser pocket for his cigarettes and matches With his cigarette lit again he felt significantly better and saw the situation a little brighter **Avhandlinger Utgitt Av Det Norske Videnskaps-akademi i Oslo ... exterminated or liquidated informers torturers and other Norwegians who worked for the Germans The post war period of war history is fascinating yet has been mostly concealed In this short novel written in 1948 by my stepfather Max Manus a well known resistance fighter it tells a story of the Rat Catchers At the centre is Max s alter ego Freddy and a group of veterans They try to find love and their place in society but drown out the bad memories from the days of war in different ways We actually know quite a lot about my stepfather Max Manus as early as 1945 he published *Det vil helst g godt* followed by *Det blir alvor* in 1946 and in 1995 *Mitt liv My Life* was published In addition the book *Tikken* which is about my mother was published in 2009 Max s war books were a success He himself claimed that only the Bible sold more in the post war years People were keen to know what kind of life the boys really lived during the war In 2008 the film *Max Manus* became a blockbuster and the most watched movie in Norway It was directed by Joachim and Espen Sandberg *Pirates of Caribbean Maleficent Mistress of Evil Kon Tiki Bandidas* It shows authentically as my mother confirmed what the atmosphere was like during the war and what role Max had played The story told in *The Rat Catcher Rottejegeren* in Norwegian is from the years immediately after the war and we assume that Max wrote it in 1948 After all he felt he had proven to himself and the world that he could write His joint company Clausen Manus did not demand too much from him so in 1953 he started his own company Max Manus Kontormaskiner supplier of office machines
