the influence of U S crime drama on English film and film adaptations of literary works as they appear in screen work from the 1930s to the present A Canterbury Tale and the documentary Listen to Britain are analyzed in the context of village pageants and other wartime explorations of Englishness at risk English crime dramas are set against the writings of George Orwell while a famous line from Noel Coward leads to a discussion of music and image in works like Brief Encounter and Look Back in Anger Screen adaptation is also broached in analyses of the 1985 BBC version of Dickens s Bleak House and Merchant Ivory s The Remains of the Day

Visual Authorship Torben Kragh Grodal, Bente Larsen, Iben Thorving Laursen, 2005 Visual Authorship is a collection of essays which offers a new approach to the study of authorship The contributors point out that individual creativity is essential in the richly faceted media landscape of today The individual creativity and the role of authorship are discussed in relation to film television computer games and the Internet Theories of cognition and emotion offer new tools for the understanding of visual aesthetics they explain why works of art are created by individuals and not by discourses and ideologies Several contributors analyse in detail the works of Lars von Trier

British Television Edward Buscombe, 2000 OXFORD TELEVISION STUDIES General Editors Charlotte Brunsdon and John Caughie Oxford Television Studies offers international authors both established and emerging an opportunity to reflect on particular problems of history theory and criticism which are specific to television and which are central to its critical understanding The perspective of the series will be international while respecting the peculiarities of the national it will be historical without proposing simple histories and it will be grounded in the analysis of programmes and genres The series is intended to be foundational without being introductory or routine facilitating clearly focused critical reflection and engaging a range of debates topics and approaches which will offer a basis for the development of television studies British television has been a success story One factor in this success has been the distinctive institutional structure of British broadcasting a mix of state regulated and publicly funded services with commercial services This book attempts to give a broad overview of British television by examining both the institutional framework and the programmes that it has produced A range of reprinted writings from the work of acknowledged experts is supplemented by specially commissioned essays on such key topics as sport and British television in the global context It will be a key text for all students taking courses on British television and broadcasting

Women Voice Men Maya Slater, 1997 This volume contains a diverse selection of pieces that present views about men given by women Some of the contributors write directly about men and how men see women others prefer to view men at a distance as a woman looking at men through the eyes of a female writer or through the eyes of female characters in female writing

Beautiful TV Greg M. Smith, 2007-09 During its five year run from 1997 to 2002 the popular TV show Ally McBeal engaged viewers in debates over what it means to be a woman or a man in the modern workplace how romance factors into the therapeutic understanding of relationships what value eccentricity has and how much oddity society should tolerate and what utility fantasy has in the pragmatic world In addition to these social concerns however Ally McBeal stood

out for being well constructed narratively complex and stylistically rich in short beautiful TV Starting from the premise that much of television today is drop dead gorgeous and that TV should be studied for its formal qualities as well as its social impact Greg M Smith analyzes Ally McBeal in terms of its aesthetic principles and narrative construction He explores how Ally s innovative use of music special effects fantasy sequences voiceovers and flashbacks structures a distinctive fictional universe while it also opens up new possibilities for televisual expression Smith also discusses the complex narrative strategies that Ally s creator David E Kelley used to develop a long running storyline and shows how these serial narrative practices can help us understand a wide range of prime time TV serials By taking seriously the art and argument of Ally McBeal Beautiful TV conclusively demonstrates that aesthetic and narrative analysis is an indispensable key for unlocking the richness of contemporary television Screen ,1999
