

The
DEPENDENT CITY
Revisited

*The Political Economy of
Urban Development and Social Policy*

PAUL KANTOR

Dependent City

George Eliot

Dependent City:

The Dependent City Revisited Paul Kantor, 2019-07-11 Here is a book that makes sense of the L A riots homelessness tax giveaways and the other big urban issues that are back in the national spotlight In this streamlined and updated new edition of his classic book *The Dependent City* Paul Kantor now focuses on economic development and social welfare policies to reveal the key dilemmas of American urban politics Returning to a political economy theme Kantor explores how city governments have struggled to escape and accommodate the reality of their economic dependency in the policies that they ve pursued Revisiting cities across the nation Kantor finds not only that they have become more dependent but also that the character of this dependency has changed and deepened Exploring local regimes in the Frostbelt and Sunbelt and in suburbia he finds that they frequently act more like captives of big business rather than as representatives of citizens Local attempts to promote social justice increasingly run up against a wall of economic dependency created by federal policies and business power This book signals how American cities can find ways of overcoming this dependency by working together with states and the federal government to promote healthy democratic urban politics *The Dependent City Revisited* is an accessible provocative supplement for a wide variety of courses in urban studies and political economy as well as stimulating reading for anyone who is interested in understanding America s urban mosaic [Polycentric City Regions in](#)

[Transformation](#) Hendrik Jansen, Christa Reicher, Jan Polívka, Fabio Bayro-Kaiser, 2019 Worldwide cities and regions are affected by structural change and face comprehensive transformation processes many of which are yet to reveal themselves In this context polycentric models for development have been internationally voiced *Polycentric City Regions in Transformation The Ruhr Agglomeration in International Perspective* discusses such models in a comparative manner and in particular focuses on the dynamics that shape and challenge cities and regions nowadays The book compiles contributions from Germany China Canada Portugal Colombia USA Scotland among others which were presented in an international conference held at Essen Zollverein in June 2015 **The National Register of Historic Places**, 1966 **Terra**

Incognita Ann O'M. Bowman, 2004-04-06 Boon or blight Ann Bowman and Michael Pagano define vacant land broadly to include everything from brownfields environmentally contaminated land through trashed lots and abandoned buildings to greenspace parks community gardens etc *Terra Incognita* takes a fresh look at what they believe can be the ultimate urban resource Beyond the common studies of the influence of market forces it explores how these areas are affected by the decisions of local governments and then shows how vacant land can be a valuable strategic asset for localities *Terra Incognita* derives from what until now has been the lack of substantial information about the amount and the diversity of urban vacant land This book is based on an unprecedented survey sent to all U S towns with a population greater than 50 000 and contains data previously unavailable Three cities were studied in greater depth for detailed case studies the greater Phoenix and Seattle areas and Philadelphia Camden A number of other cities are cited frequently including Boston Chicago

Detroit New York Cleveland Cincinnati and Oklahoma City among many others Identifying the fiscal social and development imperatives that drive the decisions local officials make about using vacant land Bowman and Pagano pay particular attention to the varying dynamics of sales property and income taxes and conclude with a model for making strategic decisions about land use based on a city's priorities A Comparative Study of Six City-state Cultures Mogens Herman Hansen,2002

CORP 2011 Proceedings/Tagungsband Manfred Schrenk,Vasily V. Popovich,Peter Zeile, *Publications* Educational Finance Inquiry Commission,1924 Proceedings of the ... Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Dependent City**

In some sort of inundated with displays and the cacophony of immediate communication, the profound energy and psychological resonance of verbal art frequently fade into obscurity, eclipsed by the regular assault of sound and distractions. However, set within the lyrical pages of **Dependent City**, a captivating function of fictional elegance that pulses with organic emotions, lies an unforgettable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that exciting opus guides visitors on a psychological odyssey, lightly exposing the latent possible and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse with this evocative examination, we can embark upon an introspective exploration of the book is main styles, dissect their fascinating publishing style, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
