German Literature of the Twentieth Century Ingo Roland Stoehr, 2001 Traces literary developments in the German speaking countries from 1900 to the present This study of German literature in the past hundred years sets its subject clearly in the artistic and political context of developments in Western Europe during the century It begins with the turn of the century aestheticism and visions of decay led by Schnitzler Hofmannsthal and other Austrian writers and the quite different explosion of new artistic energy in the Expressionist and Dada movements These movements are succeeded by the rise of Modernism culminating in the inter war years the poetry of Rilke Brecht s epic theatre and novels by Thomas Mann Kafka Hesse Musil Doblin and Broch the influence of Nazism on literary production is considered The study of developments after 1945 reflects the struggle to establish a post Holocaust literature and to deal with the questions posed by the political division of Germany Finally the convergence of East and West German literature after unification is addressed Ingo R Stoehr teaches literature at Kilgore College Texas and is editor of the bilingual journal of German literature in English translation Dimension2

Cinematic Corpographies Eileen Rositzka, 2018-05-22 Writing on the relationship between war and cinema has largely been dominated by an emphasis on optics and weaponised vision However as this analysis of the Hollywood war film will show a wider sensory field is powerfully evoked in this genre Contouring war cinema as representing a somatic experience of space the study applies a term recently developed by Derek Gregory within the theoretical framework of Critical Geography What he calls corpography implies a constant re mapping of landscape through the soldier s body These assumptions can be used as a connection between already established theories of cartographic film narration and ideas of neo phenomenological film experience as they also entail the involvement of the spectator s body in sensuously grasping what is staged as a mediated experience of war While cinematic codes of war have long been oriented almost exclusively to the visual the notion of corpography can help to reframe the concept of film genre in terms of expressive movement patterns and genre memory avoiding reverting to the usual taxonomies of generic texts

The Brothers Grimm J. Zipes, 2016-04-30 Most of the fairy tales that we grew up with we know thanks to the Brothers Grimm Jack Zipes one of our surest guides through the world of fairy tales and their criticism takes behind the romantics mythology of the wandering brothers Bringing to bear his own critical expertise as well as new biographical information Zipes examines the interaction between the Grimms lives and their work He reveals the Grimms personal struggle to overcome social prejudice and poverty as well as their political efforts as scholars and civil servant toward unifying the German states By deftly interweaving the social political and personal elements of the lives of the Brothers Grimm Zipes rescues them from sentimental obscurity No longer figures in fairy tale the Brothers Grimm emerge as powerful creators real men who established the fairy tale as one of our great literary institutions Part biography part critical assessment part social history the Brothers Grimm provides a

complex and very real story about fairy tales and the modern world The Brothers Grimm Jack Zipes, 2002-12-06 Most of the fairy tales that we grew up with we know thanks to the Brothers Grimm Jack Zipes one of the more astute critics of fairy tales explores the romantic myth of the brothers as wandering scholars who gathered authentic tales from the peasantry Bringing to bear his own critical expertise as well as new biographical information Zipes examines the interaction between the Grimms lives and their work Part biography part critical assessment and part social history The Brothers Grimm provides a complex and very real story about fairy tales and the modern world This fully revised and updated edition includes a new preface a new chapter about the legacy of the Grimms and significant new biographical information about the brothers
