[Selling Pharmaceuticals-A Love Affair](#) Mumtaz Akhtar, 2015-01-31 This book is called A Love Affair basically for two reasons The first is that I love medical representatives and wish to empower them to lead fruitful satisfying lives I have myself worked for seventeen years as a medical representative This book is the labour of Love and tribute for the medical representatives with whom I have been associated for thirty one years of my life While rewriting the book for the second time I realised and was amazed by the similarity in the way that a sales persons job must be perused and in the way a young man woos his lady love to persuade her to marry him In fact the similarities were so wide that the book demanded to be written as A Love Affair This rewriting of the book made it suitable for all Sales People in addition to the medical representatives hence the title The second reason for calling it A Love Affair is the way that the book is written All the aspects discussed here may be closely related to A Love Affair Similarities occur that make the understanding of the sales process at once easy and interesting
