

ÆSCULAPIUS IN PETTICOATS: THE TRAINING OF WOMEN DOCTORS.

DRAWINGS BY MAX COWPER FROM PHOTOGRAPHS.

1. IN THE DISSECTING-ROOM.

2. IN THE OPERATING THEATRE: A DELICATE OPERATION BY A LADY SURGEON.

3. TYPES OF STUDENTS.

5. A LESSON IN PRACTICAL CHEMISTRY.

The Women's Medical College of Pennsylvania is remarkable among such schools because all the teachers are women. The foundation is twelve years old, and it was originated by private enterprise by a committee of women all of whom hold diplomas in medicine, and many of them are distinguished practitioners. The laboratory apparatus are women. Although exception is occasionally made in favour of visitors, the doors of the institution are rigidly closed to men. The students come from all parts of the world.

Doctors In Petticoats

JA Banks

Doctors In Petticoats:

Adopting the Tune of Term: An Emotional Symphony within **Doctors In Petticoats**

In some sort of eaten by screens and the ceaseless chatter of instantaneous communication, the melodic splendor and psychological symphony developed by the written term frequently diminish into the back ground, eclipsed by the relentless noise and disruptions that permeate our lives. But, located within the pages of **Doctors In Petticoats** a stunning literary treasure overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that charming masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden songs and profound affect resonating within each carefully constructed phrase. Within the depths of this emotional analysis, we can explore the book is main harmonies, analyze their enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
