Dodnash Priory Charters:

Dodnash Priory Charters Christopher Harper-Bill, 1998 The history of Dodnash Priory one of numerous Augustinian priories founded in East Anglia in the twelfth and early thirteenth centuries has hitherto been totally obscure The two hundred original charters edited here now show that it was founded by Wimer the chaplain sheriff of Norfolk and Suffolk and a prominent servant of Henry II and that although always small it played a disproportionately large part in the economic and social life of south east Suffolk for the next three centuries The early charters include the first known references to Flatford Mill at East Bergholt later documents relate to serious flooding at the end of the thirteenth century and soon thereafter to the leasing of estates in order to adapt to new economic conditions As always the charters provide much information about local lay society as well as the canons themselves CHRISTOPHER HARPER BILL is Professor of English History at the University of East Anglia

Dating Undated Medieval Charters Michael Gervers, 2002 Many of the millions of medieval charters surviving in European archives and repositories were written without any reference to a date of issue The proliferation of undated charters in England and Normandy indicates that the custom was especially peculiar to lands under Norman rule but charters issued by major religious houses are often also undated The DEEDS Project at the University of Toronto has developed a computerised methodology for dating charters relying on analysis of vocabulary syntax and formulae In this volume an international group of scholars concerned with the problem of charter chronology consider the potential of the computerised methodology compared to other more traditional methods of dating such as identification of names changing in wording and address and handwriting Discussion also touches on regional differences in the production use and distribution of charters and on ways both manual and mechanical to date and analyse the content of large numbers of them MICHAEL GERVERS is Director of the DEEDS Project at the University of Toronto Canada Contributors MICHAEL GERVERS RODOLFO FIALLOS MARJORIE CHIBNALL V RONIQUE GAZEAU BENOIT MICHEL TOCK NICHOLAS VINCENT GEORGES DECLERCQ ZSOLT HUNYADIR ATTILA ZSOLDOS MARIA HILLEBRANDT TREVOR CHALMERS LAZSLO VESZPRMI P D A HARVEY ANDRAS GRYNÆUS JOZSEF PALFY
