## **Der Elementargeist:**

**The German Gothic Novel in Anglo-German Perspective** Patrick Bridgwater, 2013-10-10 The first full length study of the main German contributors to the Gothic canon to each of whom a chapter is devoted The German Gothic Novel in Anglo German Perspective is an original historical and comparative study that goes well beyond the necessary review of the evidence to include much new material many new insights and pieces of analysis and some fundamental changes of perspective The book aims to put the record straight in bibliographical and literary historical terms and to act as a reference guide to facilitate future research so that anyone working on the German Gothic novel or on Anglo German interactions in the field of Gothic will find there references to all the relevant secondary literature The German Gothic Novel in Anglo German Perspective is addressed to Germanists but also to teachers and students of English American and comparative literature for there is at present hardly a hotter subject than Gothic The book s emphasis on the Gothic work of canonical writers should prompt even conservative German Departments to reconsider their attitude to Gothic Being addressed to scholars and students of German German quotations are given in German but English translations are added for the convenience of English and American scholars and students of Gothic who represent another important section of the books target audience

**Metaphysical Conversations and Phenomenological Essays** Hedwig Conrad-Martius, 2023-11-20 This is the first translation into English of early phenomenologist Hedwig Conrad Martius Metaphysical Conversations originally published in 1921 Conrad Martius was one of Husserl s first students an important part of the G ttingen Phenomenology Circle and mentor to Edith Stein Jean H ring and other early phenomenologists The present volume provides the full German and English texts of the conversations a phenomenological discussion of the nature of the human examining the nature of body soul and spirit and drawing distinctions between plants animals humans and various other beings The volume also includes two important essays on phenomenology in which Conrad Martius distinguishes between the phenomenological approaches of Husserl Heidegger and the more ontological approach of the G ttingen school of phenomenology She is critical of Husserl s transcendental and Heidegger s existential approach The conversations illustrate her use of the phenomenological method for fundamental investigations into the nature or Wesen of things Also available as paperback <https://www.degruyter.com/document/ISBN/9783110764390.html>

## Adopting the Track of Term: An Mental Symphony within **Der Elementargeist**

In some sort of used by displays and the ceaseless chatter of instant communication, the melodic beauty and emotional symphony produced by the written term often diminish into the backdrop, eclipsed by the persistent noise and disruptions that permeate our lives. Nevertheless, located within the pages of **Der Elementargeist** a wonderful literary prize full of raw emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that charming masterpiece conducts readers on a psychological trip, well unraveling the hidden melodies and profound influence resonating within each carefully constructed phrase. Within the depths of this touching evaluation, we will examine the book is main harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
