Do New Leaders Make A Difference:

The Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014 Political leadership has returned to the forefront of research in political science in recent years after several years of neglect This Handbook provides a broad ranging and cohesive examination of the study of political leadership The People's Republic of China Today Zhiqun Zhu, 2011 Despite the significant progress it had achieved in the past 60 years especially in the past 30 years since Deng Xiaoping's reform initiatives in the late 1970s China faces daunting challenges today These challenges include among others a rigid political system that does not match economic vibrancy uneven economic growth and widening income gap a graying population environmental degradation potential social instability ethnic tensions and separatist movement poor international image and military modernization Based on papers originally presented at an international conference held at Bucknell University in Pennsylvania to mark the 60th anniversary of the People's Republic of China PRC this book provides an up to date comprehensive and authoritative assessment of the PRC's political economic social ethnic energy security military diplomatic and other developments and challenges today Contributed by scholars and experts in political science international relations economics public administration history mass communication psychology and diplomacy the book focuses on the efforts needed by China to grow in a sustainable manner and to become a respected global power With each chapter addressing a different and yet an inter related issue of the PRC's development this book aims to make a significant contribution to the understanding of key challenges the country faces today as it strives to become a global power

Innovative Leaders in International Politics Gabriel Sheffer, 1993-09-14 In today's world national leaders have immense power to make decisions affecting millions of lives both domestically and internationally Yet questions about the performance of these leaders and specifically what psychological or external factors determine whether they will be innovative and effective or will muddle through have received surprisingly little attention An introductory section presents main themes in the study of innovative leadership and in addition reviews the existing inadequate state of our knowledge The two subsequent sections further explore the basic questions through case studies of leaders in democratic systems and in transitional or authoritarian systems By looking at the individual records of such major twentieth century leaders as De Gaulle Adenauer Gandhi Gorbachev Sadat and several American presidents the authors contribute fresh insights about the particular leaders consider how the type of system in which they functioned enhanced or constrained their innovativeness and shed light on the broader questions of what factors encourage or inhibit successful innovation in the international sphere

Khrushchev and Brezhnev as Leaders (Routledge Revivals) George W. Breslauer, 2016-06-10 First published in 1982 this book explores how Khrushchev and Brezhnev manipulated their policies and personal images as they attempted to consolidate their authority as leader Central issues of Soviet domestic politics are examined investment priorities incentive policy administrative reform and political participation The author rejects the conventional images of Khrushchev as an

embattled consumer advocate and decentraliser and of Brezhnev's leadership as dull and conservative He looks at how they dealt with the task of devising programs that combined the post Stalin elite's goals of consumer satisfaction and expanded political participation with traditional Soviet values *Making a Leadership Change* TN.
