  DocBook Publishing Joe Brockmeier,Kara Pritchard,2001 A guide for the Docs this contains clear and concise information on how DocBook can be used for publishing in house documentation projects academic purposes and more XML has been added to DocBook technology and has increased it s use tenfold making this comprehensive reference a valuable tool **DocBook 5: The Definitive Guide** Norman Walsh,Richard L. Hamilton,2010-04-20 If you need a reliable tool for technical documentation this clear and concise reference will help you take advantage of DocBook the popular XML schema originally developed to document computer and hardware projects DocBook 5 0 has been expanded and simplified to address documentation needs in other fields and it s quickly becoming the tool of choice for many content providers DocBook 5 The Definitive Guide is the complete official documentation of DocBook 5 0 You ll find everything you need to know to use DocBook 5 0 s features including its improved content model whether you re new to DocBook or an experienced user of previous versions Learn how to write DocBook XML documents Understand DocBook 5 0 s elements and attributes and how they fit together Determine whether your documents conform to the DocBook schema Learn about options for publishing DocBook to various output formats Customize the DocBook schema to meet your needs Get additional information about DocBook editing and processing *DocBook 5: The Definitive Guide* Norman Walsh,Richard Hamilton,2010-04-27 If you need a reliable tool for technical documentation this clear and concise reference will help you take advantage of DocBook the popular XML schema originally developed to document computer and hardware projects DocBook 5 0 has been expanded and simplified to address documentation needs in other fields and it s quickly becoming the tool of choice for many content providers DocBook 5 The Definitive Guide is the complete official documentation of DocBook 5 0 You ll find everything you need to know to use DocBook 5 0 s features including its improved content model whether you re new to DocBook or an experienced user of previous versions Learn how to write DocBook XML documents Understand DocBook 5 0 s elements and attributes and how they fit together Determine whether your documents conform to the DocBook schema Learn about options for publishing DocBook to various output formats Customize the DocBook schema to meet your needs Get additional information about DocBook editing and processing *Publishing with XML* Bernard Prost,Ligaran,2015-06-19 XML is now at the heart of book publishing techniques it provides the industry with a robust flexible format which is relatively easy to manipulate Above all it preserves the future the XML text becomes a genuine tactical asset enabling publishers to respond quickly to market demands When new publishing media appear it will be possible to very quickly make your editorial content available at a lower cost On the downside XML can become a bottomless pit for publishers attracted by its possibilities There is a strong temptation to switch to audiovisual production and to add video and animation to what we currently call a book i e a written relatively linear discourse representing a series of ideas Publishers cannot ignore technology however It is better to recognize the threats of innovation and to maintain your business and your convictions by boarding the e publishing ship But

make sure you carry a life preserver XML to ride above the waves of modern times PROPOS DES DITIONS LIGARAN Les ditions LIGARAN proposent des versions num riques de qualit de grands livres de la litt rature classique mais galement des livres rares en partenariat avec la BNF Beaucoup de soins sont apport s ces versions ebook pour viter les fautes que l on trouve trop souvent dans des versions num riques de ces textes LIGARAN propose des grands classiques dans les domaines suivants Livres rares Livres libertins Livres d Histoire Po sies Premi re guerre mondiale Jeunesse Policier   **DocBook XSL** Bob Stayton,2003 DocBook XSL The Complete Guide by Bob Stayton is the definitive guide to using the DocBook XSL stylesheets It provides the missing documentation to realize the full potential of DocBook publishing It covers all aspects of DocBook publishing tools including installing using and customizing the stylesheets and processing tools The book is suitable for new users just getting started as well as more advanced users needing a complete reference It is thoroughly indexed and cross referenced so you can quickly find what you need   *Structured Writing* Mark Baker,2018-09-10 Structured writing has never been more important or more confusing We keep trying to do more and more with content but we give ourselves less and less time to do it Structured content can help keep your rhetoric on track and your processes efficient But how does it do that and what is the relationship between rhetoric and process It is easy to get lost in sea of acronyms and buzz words semantics XML metadata DITA structure DocBook hypertext Markdown topics XSLT reuse LaTeX silos HTML Structured Writing cuts through the noise explaining what structured writing is you have been doing it all along and how you can use different structures to achieve different purposes It focuses on how you can partition and manage the complexity of the content creation process using structured writing techniques to ensure that everything is handled by the person or process with the skills time and resources to handle it effectively Most importantly this book shows you how the right structured writing techniques can improve the quality of your content and at the same time make your content processes more efficient without sacrificing quality for efficiency or vice versa There are so many options available in the structured writing space today This book will show you where each of them fits and help you choose the approach that is optimal for your content
