Doctor Sax:

Doctor Sax Jack Kerouac, 1987 Jack Kerouac a French Canadian boy growing up in the factory town of Lowell Massachusetts is haunted throughout his adolescence by Dr Sax a cryptic hipster phantom **Doctor Sax** Jack Kerouac, 1977 **Dr. Sax**, 1999 **The Beat Generation FAQ** Rich Weidman, 2015-09-01 FAQ The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting edge works that shaped this fascinating cultural and literary movement Disillusioned with the repression and conformity encompassing post World War II life in the United States the Beat writers sought creative alternatives to the mind numbing banality of modern culture Beat Generation writers were no strangers to controversy Both Allen Ginsberg's prophetic William Blakean style poem Howl 1956 and William S Burroughs groundbreaking novel Naked Lunch 1959 led to obscenity trials while Jack Kerouac's highly influential novel On the Road 1957 was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle The Beat writers shared a vision for a new type of literature one that escaped the boundaries of academia and employed an organic use of language inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism Kerouac coined this writing style spontaneous prose In search of deeper meaning Beat Generation writers experimented not only with language but also with spirituality art drugs sexuality and unconventional lifestyles Although the movement as a whole flamed out quickly in the early 1960s replaced by the onset of the hippie counterculture the Beats made an indelible mark on the nation's consciousness and left a long lasting influence on its art and culture This book details the movement its works creative forces and its legacy **Understanding Jack Kerouac** Matt Theado, 2000 Theado offers close readings of the works that make up the Duluoz Legend Kerouac's series of barely fictionalized re-creations of his life and reveals how his awareness of his writing self increased over the course of his career [Jack Kerouac's Duluoz Legend](#) James T. Jones, 1999 Noting that even casual readers recognize family relationships as the basis for Kerouac's autobiographical prose Jones discusses these relationships in terms of Freud's notion of the Oedipus complex **BOOK JACKET** [Ambiguous Borderlands](#) Erik Mortenson, 2016-02-03 The image of the shadow in midtwentieth century America appeared across a variety of genres and media including poetry pulp fiction photography and film Drawing on an extensive framework that ranges from Cold War cultural histories to theorizations of psychoanalysis and the Gothic Erik Mortenson argues that shadow imagery in 1950s and 1960s American culture not only reflected the anxiety and ambiguity of the times but also offered an imaginative space for artists to challenge the binary rhetoric associated with the Cold War From comics to movies Beats to bombs [Ambiguous Borderlands](#) provides a novel understanding of the Cold War cultural context through its analysis of the image of the shadow in midcentury media Its interdisciplinary approach ambitious subject matter and diverse theoretical framing make it essential reading for anyone interested in American literary and popular culture during the midtwentieth century **St. Andrews Review**, 1991 **The Awakener** Helen

Weaver,2009-10-15 The Awakener is Helen Weaver s long awaited memoir of her adventures with Jack Kerouac Allen Ginsberg Lenny Bruce and other wild characters from the New York City of the fifties and sixties The sheltered but rebellious daughter of bookish Midwestern parents Weaver survived a repressive upbringing in the wealthy suburbs of Scarsdale and an early divorce to land in Greenwich Village just in time for the birth of rock n roll and the counterculture movement known as the Beat Generation Shortly after her arrival Kerouac Ginsberg and company old friends of her roommate arrive on their doorstep after a non stop drive from Mexico Weaver and Kerouac fall in love on sight and Kerouac moves in Weaver paints a romantic picture of Greenwich Village in the 1950s and 60s when she worked in publishing and hung out with Allen Ginsberg and the poet Richard Howard and was wild and loose getting high and falling into bed almost immediately with her crushes including Lenny Bruce Her descriptions of the Village are evocative recalling a time when she wore long skirts Capezio ballet shoes and black stockings and used to sit in the Bagatelle and have sweet vermouth on the rocks with a twist of lemon Early on she quotes Pasternak You in others this is your soul Kerouac s soul lives on through many people Joyce Johnson for one but few have been as adept as Weaver at capturing both him and the New York bohemia of the time He was lucky to have met her Tara McKelvey The New York Times Book Review There is a tendency for memoirs written by women about The Great Man to be self abnegating exercises in a kind of inverted narcissism the author seeking to prove her worth as muse as consort as chosen one Not so with Helen Weaver s beautiful plainspoken elegy for her time spent with Jack Kerouac who suddenly appeared at her door in the West Village one white frosty morning with Allen Ginsberg who knew Weaver s roommate in tow New York Post Helen Weaver s book was a revelation to me This is the most graphic honest shameless and moving documentary of what the newly liberated women in cities got up to how they lived loved and created Who knew It is time they did And here s how Carolyn Cassady Weaver recreates the excitement of a time when things were radically changing and shows us what it was like living with an eccentric genius at the turning point of his life Eventually she asks Jack to leave but they remain friends and over the years her respect for his writing grows even as Kerouac s reputation undergoes a gradual transition from enfant terrible to American icon She comes to realize that by writing On the Road he woke America up along with her from the long dream of the fifties And the Buddhist philosophy that once struck her as Jack s excuse for doing whatever he liked because nothing is real it s all a dream eventually becomes her own Helen Weaver s memoir is a riveting account of her love affair and friendship with Jack Kerouac She is both clear eyed and passionate about him and writes with truly amazing grace Ann Charters Helen Weaver has translated over fifty books from the French of which one Antonin Artaud Selected Writings Farrar Straus and Giroux was a Finalist for the National Book Award in translation in 1976 She is co author and general editor of the Larousse Encyclopedia of Astrology and author of The Daisy Sutra a book on animal communication She lives in Kingston New York **Transactions** National Eclectic Medical Association,1889
