Documentary Studies:

Ten Years of Studies in Documentary Film Deane Williams, 2018-08-29 This volume will be a time capsule of the first 10 years of *Studies in Documentary Film* 2007-2016 tracing not only the development of the journal but also of documentary studies in the same period. Issues such as the rise of digital documentary forms and authorship, documentary activism and the Chinese Independent documentary as well as diverse political issues will be raised in the introduction and evidenced in the articles. The chapters have been chosen for the various themes they raise in documentary studies but also the broader field of documentary scholarship including publishing and the rise of the internet as a powerful force in documentary studies. [A Short Introduction to Social Research](#) Matt Henn, Mark Weinstein, Nick Foard, 2005-12-15 This book introduces students and researchers to the key ideas and issues that inform research practice. Authors Matt Henn, Mark Weinstein and Nick Foard provide a clear and easy to understand roadmap to help the reader plan their research project from beginning to end. This book is perfect for use on introductory methods courses and is also an invaluable guide for the first time researcher embarking on their own small scale research project. It is the intention of this book to prepare students and new researchers for their research project. Brilliantly written throughout this is your essential guide to the theory of research, the practice of research and the best ways to plan and manage your research. *A Handbook for Teacher Research* Colin Lankshear, Michele Knobel, 2004-04-16 This informative book helped me to understand research in general and to bring focus and clarity to my current research project. The text answers questions and provides guidance and support in a manner that is user friendly and easy to comprehend. After reading this book I feel empowered as a teacher researcher and would unhesitatingly recommend it to other teacher researchers, graduate students and educators. Francesca Crowther, teacher and doctoral student, Nova Scotia, Canada. This book provides a comprehensive and detailed approach to teacher research as systematic, methodical and informed practice. It identifies five requirements for all kinds of research and provides clear and accessible guidelines for teachers to use in conducting their own classroom based studies. Features: A clear definition of teacher research which insists on more than stories and anecdotal retrospectives. Innovative organisational structure based on the collection and analysis of spoken, written and observed data with strong emphasis on the design of research projects. Easy to use and widely applicable tools and techniques for collecting and analysing data in qualitative research. Informed by the authors' own wide ranging experiences. *A Handbook of Teacher Research* provides everything the teacher researcher needs in order to conduct good quality practitioner research. It is ideal for upper level undergraduate Education programmes and for postgraduate research as well as for teacher researchers who conceive and drive their own independent studies. [Educational Research and Inquiry](#) Dimitra Hartas, 2015-03-06 This comprehensive textbook encourages the reader to contextualise their understanding of quantitative and qualitative research methods by drawing links between the research question and its theoretical framework with the choice of the quantitative, qualitative methodology and analyses. It

encourages a theoretical appreciation of the field of inquiry and to balance the emphasis on methods with reviewing the literature and understanding the wider context of research Each chapter contains user friendly features such as key terms summaries case studies examples and suggested further reading Exercises are suggested throughout the text encouraging the reader to look at easily accessible data sets and use prompts to formulate research questions and produce a mini study A companion website supports the text providing easy access to supporting material including revision questions and an annotated list of useful websites This text will be invaluable reading for students on Research Methods in Education MA programmes as well as those embarking upon their PhD EdD or MPhil in education Research fellows and other educational researchers will also find this book a useful resource

Who We Are Now Michelle Fishburne,2023-01-19 Michelle Fishburne did the unthinkable

during the early days of the COVID 19 pandemic she motor homed 12 000 miles all over the United States and sat down with hundreds of people face to face People shared what their lives were like what made them struggle and what surprised them

The personal histories in this book show a diversity of American lives from the young college student who finds unexpected fame on TikTok to a special education teacher sharing the challenges of remote learning Everyone s story is different Some like Fishburne lost their jobs Others lost family friends and even their own health and well being And yet among the difficulties many found something that had eluded them before the pandemic These testimonies offer a glimpse into what people across America lost and found during the pandemic s critical first year Fishburne lets us hear people s stories as if we were there in real time at the beginning of COVID 19 when employment was uncertain schools were online and American life more unpredictable than ever before

Reclaiming Popular Documentary Christie Milliken,Steve F. Anderson,2021-07-06

The documentary has achieved rising popularity over the past two decades thanks to streaming services like Netflix and Hulu Despite this documentary studies still tends to favor works that appeal primarily to specialists and scholars Reclaiming Popular Documentary reverses this long standing tendency by showing that documentaries can be and are made for mainstream or commercial audiences Editors Christie Milliken and Steve Anderson who consider popular documentary to be a subfield of

documentary studies embrace an expanded definition of popular to acknowledge the many evolving forms of documentary such as branded entertainment fictional hybrids and works with audience participation Together these essays address emerging documentary forms including web docs virtual reality immersive journalism viral media interactive docs and video on demand and offer the critical tools viewers need to analyze contemporary documentaries and consider how they are persuaded by and represented in documentary media By combining perspectives of scholars and makers Reclaiming Popular Documentary brings new understandings and international perspectives to familiar texts using critical models that will engage media scholars and fans alike
