[The Accidental Pope](#) Raymond L. Flynn, 2000 [Pope, Print, and Meaning](#) J. McLaverty, 2001

Pope's fascination with print with annotations illustrations parallel texts title pages revisions shapes this reading of his work The book offers fresh insights into Pope's self presentation and his relation to his readers he emerges as a figure marginalized socially politically and sexually who gambles with his private life in confronting his opponents

*An Accidental Pope* James Casper, 2017-09-27 An unpopular pope dies while touring the Holy Land on the same day two obscure country priests exchange places six thousand miles and eight time zones away Neither they nor the Church of Rome will ever be the same The priests become entangled in mysteries of murder duplicity and hush money as cardinals from around the world gather to elect a new pontiff A connection between the Vatican's Sistine Chapel and the abandoned Paradise Hotel in a small Midwestern city seems inconceivable and yet bodies discovered there will determine who becomes the next pope The Seal of Confession becomes more than an amusing pun in the murderous circus enveloping the Vatican and a distant church whose confessional is breached Those in search of forgiveness find instead blackmail and extortion Why did a murdered Indian woman trapped in the Chicago sex trade have a one way bus ticket home to her reservation Was it suicide or murder in the Paradise Hotel Why is someone in the Vatican willing to pay for silence Answers can be found in two wooden boxes one the confessional and the other a coffin in an isolated churchyard near an Indian reservation An Accidental Pope is not so much a Who dun nit as a How did it happen A police detective and his amateur sleuth wife uncover much that is hidden but only the reader will know the whole story of how the Chair of St Peter came to have its accidental occupant If you believe that the those who exalt themselves will be humbled and those who humble themselves will be exalted this is the novel

**The Unexpected Death of Father Wilfred** Julius Falconer, 2009-09-09 One February evening in the year 1968 Fr Wilfred the parish priest of the Sacred Heart Catholic church in Droitwich tumbles out of his confessional stabbed to death His older sister demands the best detective in the force and Stan Wickfield is appointed to the case Unfortunately he cannot identify either the means or the motive of the murder much less the perpetrator His investigation leads him through the highways and byways of tensions in the Catholic Church in the wake of the Second Vatican Council and brings him face to face with anti Catholic sentiment in the local population His suspects include an eccentric and learned septuagenarian spinster who quotes d Azeglio every time they meet a school technician rejected for the priesthood because of his sexuality the custodian of Kenilworth Castle and a bookmaker with a taste for anti papal sentiment Motives for the priest's death waver confusingly between contempt for his office disapproval of a teenage indiscretion personal hatred and suicide Wickfield is at his wits end until his wife's reading a novella by Nicholas Montserrat prods him towards a triumphant solution The story comes to a

dramatic climax in two sermons preached by the dead priest s curate Fr Gabriel Julius Falconer never fails to write serious and stimulating stories with humour a wealth of researched detail and subtle plots Book reviews online PublishedBestsellers website
