Only one witch was going to survive, and she just hoped fate knew what she was doing because Zoey's life was in the balance. *The Case of The Phantom Spy and The Haunted French Fry* Dakota Cassidy, 2025-08-28

Stevie and Win here back in the mystery solving saddle again. Cary Donahue owns Pretty Fly for a Fry Guy, a new place in Eb Falls where all manner of the most decadent, crispy French fry combinations this side of the planet are made. Imagine tender brisket, smoked and sliced to perfection on a bed of cheesy fries topped with tangy barbecue sauce. To say I'd found my new home away from home is an understatement, much to the dismay of Win and my cholesterol. But when Cary is quite suddenly unalived, all of Eb Falls is in shock. Who would harm the man who served bits of fried starchy Heaven with a smile and a kind word? Of course, Cary appears to us from the afterlife, looking for our help to solve his murder, but in a strange turn of events and quite suddenly, I can hear him and Win can see him. Taken aback by this new twist in our ghostly communications, we're even more surprised to find Cary isn't communicating in choppy sentences and vague appearances the way most entities we deal with do. He's clear as a bell, so solving his murder should be a piece of cake, right? Easy peasy lemon squeezy. But there's just one small problem: Cary isn't in possession of the entirety of his memories, as in almost any of his past or much of what he remembers weeks before he was murdered. Figures, right? But we jump in feet first anyway, and as we peel back the layers of Cary's life, we discover far more than we bargained for. A hidden past, tawdry secrets, lies, powerful people in high places, and more murder than you can shake a stick at. *Diary of an Accidental Witch* Perdita Cargill and Honor Cargill, 2023-04-17

A perfect potion of magic and mischief, the second book in the *Diary of an Accidental Witch* series is *The Worst Witch meets Tom Gates*. Monday 1st November. There's only fifty days until the Winter Solstice, the longest and witchiest night of the year. But before that, there's the Grand Tournament, the biggest and sportiest day in the witchy calendar. And I can't wait. Bea Black is all settled into her new life in Little Spellshire, a town with a magical secret. She's made tonnes of friends at witch school, learned how to levitate frogs, just about, and been working hard on polishing up her broom skills. So when the Winter Solstice Grand Tournament rolls round, she's ready to rise to the next challenge and fly high. But then Ms Sparks decides that this year's tournament will be a bit, er, e, different. That is, it won't be an Extraordinary Grand Tournament at all, but rather a very ordinary sports day with Spellshire Academy. With magic firmly forbidden and rivalry reaching new heights, who will emerge victorious? And more importantly, will Bea's friendship with her best non-witchy friend, Ash, survive the competition. [A People Bewitched](#) Owen Davies, 2012-10-01

The author of the *Oxford Illustrated History of Witchcraft and Magic* unveils the history of witches in one of southwest England's most spiritual sites. The belief in witchcraft and magic was widespread in nineteenth-century Somerset. Witches were blamed for causing the ill health and death of people and their animals. Those

accused of witchcraft often found themselves being ostracized and beaten by their neighbors. Magical practitioners known as cunning folk drove a thriving trade not only in curing the bewitched but also in detecting lost property, inducing love, and predicting the future. Astrologers and fortune tellers were also widely consulted. This ebook is a fascinating exploration of the lives of all those who were caught up in the world of magic, witches, and their victims, and occult practitioners and their clients. It will appeal to anyone with a general interest in witchcraft, rural history, folklore, or the history of Somerset. **A People Bewitched** is part of *The Paranormal*, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. The series includes a range of paranormal subjects from angels, fairies, and UFOs to near-death experiences, vampires, ghosts, and witchcraft. **Lilla the Accidental Witch**

But unbeknownst to her, an ancient witch, Stregamama, threatens to ruin more than just her summer. Lilla is soon faced with a choice that could change her life forever.
