works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time

D. H. Lawrence Leo Hamalian,1973 **The Critical Response to Anais Nin** Philip K. Jason,1996-07-30 Best known for her diary Anais Nin was also the author of several novels short fiction and a book on D H Lawrence As a woman who made a career of her aesthetic femininity her works helped shape the future of gender studies and feminist literary criticism Her writings have challenged numerous critics while her life has been equally fascinating The selections in this book represent the critical response to her works from her first efforts in the 1930s to the posthumous publication of unexpurgated diary volumes beginning in 1986 including the views of major biographers and contemporary critics Born in France in 1903 Anais Nin spent her life in New York Paris and Los Angeles where she died in 1977 Like the chaotic passages of her life her writings have not easily fallen into neat categories Though she published several novels short fiction and erotica she is best known for her enormous and captivating diary which sometimes commanded more attention in unpublished form than her published fiction did As a woman writer who made a career of her aesthetic femininity her works helped shape the future of gender studies and feminist literary criticism The selections in this volume trace the critical response to Nin s works from the 1930s to the present Though Nin died nearly 20 years ago the posthumous publication of several of her works including three unexpurgated diary volumes has prompted renewed critical attention including two major biographical studies Because biographical concerns dominate critical studies this book contains not only sections on her work in general her short fiction and her novels but also special sections on her monumental diary and on her public and private selves Within each section critical articles and reviews are reprinted chronologically so that the reader may trace the response to Nin over time A bibliography lists works for further consultation and an introductory essay explores the direction of critical attention to her writings

Selected Critical Writings David Herbert Lawrence,1998 A critic must be able to feel the impact of a work of art in all its complexity and force To do so he must be a man of force and complexity himself A critic must be emotionally alive in every fibre intellectually capable and skilful in essential logic and then morally very honest These comments by D H Lawrence are as close a description as any of

himself as a critic They come from his essay on fellow novelist John Galsworthy and there are many other pieces on novels and novelists in this selection But Lawrence s range of genres extends to poetry and plays and paintings and his critical writing encompasses an enormous variety of subjects from Aeschylus and the Apocalypse to symbolism and syphilis for his interests are philosophical psychological religious moral sociological historical and cultural as well as literary and artistic This selection is a treasure trove of thought adventures by one of literature s liveliest critical spirits [Twentieth-century Literary Criticism](#) Gale Research Company,2006 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **The Critical Response to Katherine Mansfield** Jan Pilditch,1996-01-30 This collection brings together selected critical literature on modernist writer Katherine Mansfield from 1911 to 1988 **Modern Criticism** Walter E. Sutton,Walter Sutton,1965 **The Critical Response to Tennessee Williams** George W. Crandell,1996-08-30 Tennessee Williams is generally regarded along with Eugene O Neill and Arthur Miller as one of the greatest American dramatists of the 20th century This reputation rests upon more than 40 years of critical acclaim accrued by his two masterpieces *A Streetcar Named Desire* and *The Glass Menagerie* and by a body of works that also includes the Pulitzer prize winning drama *Cat on a Hot Tin Roof* and more than 60 other plays such as *The Rose Tattoo* *Orpheus Descending* and *The Night of the Iguana* He has created some of the most enduring characters on the American stage and several actors have achieved stardom through roles created by him Through representative reviews and criticism this reference book provides a chronological record of the response to Williams s work An introductory essay overviews his development as a dramatist and discusses some of the major themes in his works while a chronology highlights the principal events in his life and career Sections of the book are then devoted to his major plays For the most significant plays each section typically reprints several reviews and an extensive critical essay The volume concludes with a selected bibliography of work by and about Tennessee Williams [The Critical Response to Erskine Caldwell](#) Robert McDonald,1997-08-26 Author of such classics of 20th century popular American literature as *Tobacco Road* 1932 and *God s Little Acre* 1933 Erskine Caldwell was something of a celebrity nearly all his life But he was also a serious writer one whose merits are as considerable as they remain underexplored In the 1930s he startled the literary world with his frank portrayals of the poor whites of the South Beginning in the early 1940s critics grew suspicious that he had exhausted his originality and his talent In the late 1960s some scholars began an effort which continues intermittently today to reconsider Caldwell s achievement This collection of reviews critical essays and book excerpts provides a chronological portrait of the often contradictory and unfailingly colorful critical response to Caldwell from 1931 to the present The 57 pieces collected in this volume were chosen to represent all sides and perspectives in the evolving critical opinion of Caldwell s work The items are grouped in sections representing three chronological periods that encompass the prevailing critical moods concerning his writings the 1930s when readers of many persuasions found him promising and held out great hopes for his development 1940 to 1968 when

increasing critical scrutiny led to his dismissal as a writer of significance and 1969 to the present when there have been several substantial efforts to reconsider Caldwell's achievement. An introductory essay argues that Caldwell remains largely absent from our critical consciousness today because of a prevailing willingness among academics to rely on largely negative received opinions about his books in place of primary experience with them. The introduction is followed by a chronology and the volume concludes with an extensive selected bibliography.
