THOMASIIUS, 1606 *The Lord's Supper* Thomas Watson, In this profound meditation on the Lord's Supper Puritan theologian Thomas Watson unveils the rich meaning and spiritual significance of the sacrament With deep insight he explores how the bread and wine represent Christ's broken body and shed blood and how partaking of them seals God's covenant promises to believers Watson explains the mystery of Christ's real spiritual presence in the supper and how it offers a foretaste of heavenly glory He also gives practical guidance on preparing our hearts to come to the Table so that we may experience the overflowing love of Christ poured out for us The Lord's Supper is a spiritual feast that nourishes our souls confirms our faith and draws us into intimate communion with our Savior This classic work will deepen your understanding and appreciation of this means of grace *The Experience of Christ* Witness Lee, From the experiences of the saints

throughout the ages and in the light that we have seen in these recent years before the Lord we may say that the experience of life can be divided into four stages with a total of nineteen points According to our experience the first four stages may be designated as follows the first stage may be called the salvation stage the second the revival stage the third the stage of the cross and the fourth the stage of spiritual warfare But according to our relationship with Christ these four stages should be designated in this way the first stage in Christ the second abiding in Christ the third Christ abiding in us and the fourth Christ fully grown in us The experiences of these four stages are based on our relationship with Christ Life is God Himself yet in order that God may be our life this life must necessarily be in Christ Therefore the Scripture says Christ is our life Col 3:4 Since life is Christ when we experience life we experience Christ The experience of life may be expressed therefore as our relationship with Christ **Catalog, Educational Motion Pictures** ,1980 **Educational Motion Pictures** ,1980

The Secret of Experiencing Christ Witness Lee, 2024-02-15 The Christian life is one of experiencing Christ at all times In order to enjoy and experience Christ in full we need to see who Christ is what He has done for us and we especially need to see that we are in an organic union with Christ This is the most crucial aspect of the secret of experiencing Christ In *The Secret of Experiencing Christ* Witness Lee points out that it is in this organic union of the Spirit with our spirit that Christ

lives in us and we live in Him The Lord's Supper Jonathan Black,2023-07-11 Do this in remembrance of Me From the very beginning the Lord s Supper has stood at the heart of Christian worship But over the years we ve trivialized it squeezing it in between real worship If Jesus lives in us and the Holy Spirit is poured out on us why do we need to eat bread and drink grape juice or wine Does it really matter It does matter and it s life changing says leading Pentecostal theologian Jonathan Black With warmth and depth he explores not only how the table is still a powerful place of transformation and encounter with Jesus but also how we can experience Christ s promise of presence glory healing forgiveness victory and intimacy when we answer His call to come to the table Whether you re feeling the lack of His presence are ashamed of sin in your life or have never felt anything during Communion Christ s invitation to partake in His feast is your invitation to taste and see that the Lord is good
